Livio Health comes on-site so you don't have to travel to the doctor.

Benefits for you:

1. Urgent Care on-site when you need it
2. Primary Scheduled Care as you need it
3. Guided Care planning for chronic conditions
4. Communication with your other healthcare providers

Your health and happiness are important to us. Access to a new healthcare service is now available at The Maryland to keep you happier and healthier.

The Livio Health Group will come to you, on-site as a Primary Care and Urgent Care medical provider so you don't have to travel.

Livio Health works with your other providers or specialists. After each visit, we communicate with them and update your health records as part of our process.

Livio Health accepts Medicare and Medicaid as well as private insurance and manages the paperwork for you.

Livio Health Group provides the right care, at the right time, in the right place. The clinic will take place once per week.
