

Minnesota Transitions Charter School

TITLE 1 TEACHER/PARENT COMPACT

It is important that our families and our school community work together to help students achieve high academic standards. Through a process where all stakeholders are involved in partnering to ensure that students are given the necessary safety nets to succeed. The staff and the parent/guardians of the Minnesota Transitions Charter School are continually raising their standards and expectations. The following compact will show how both the families and the school are working toward raising the quality of students' educational experiences. The following are agreed upon responsibilities that we as partners will carry out to support student success.
