September 1, 2017

Dear MTS Secondary Families,

*MTS Secondary* is dedicated to providing all students with an excellent education so that each child can succeed in school and in life. To ensure your child's success, we have set high standards that are reflected in what is taught in our classrooms. In the coming school year we will look at multiple assessment measures that indicate how our school is succeeding. This will ensure that we reach our goal of all children succeeding in school and in life.

Families and communities are at the center of our school improvement plan. Your engagement and support in your child's education is critical to his or her success. Communicate with your child's teacher(s) with how you can best support the work they are doing in the classroom. All staff email addresses and school phone numbers are posted on our school's website. MTS Secondary will also be offering several activities for you to be engaged in your child's education.

There are many opportunities for family members to attend events at our school. Listed below please find a list of events we are planning for the 2017-2018 school year to promote and support collaboration between school, home and community:

Ice Cream Social/Registration Night	August 23, 2017
Fall Conferences	October 17 and 18, 2017
Title I Family Night	November 16, 2017
Winter Conferences	February 14 and 15, 2018
Title I Family Night	March 8, 2018
8 <sup>th</sup> Grade Promotion Event	June 6, 2018
Senior Graduation	June 7, 2018

Know that we understand that attending every event may not be possible but you can still be engaged and support your child's education through steps like providing a quiet place for homework, ensuring consistent daily attendance, and talking with your child about his or her day.

We look forward to a fantastic school year. Minnesota Transitions Charter School will have its annual meeting to inform parents and the community about our Title 1 program. Mark your calendar for October 26<sup>th</sup> located at the MTS Secondary School. If you have any questions regarding the direction of MTS Secondary please call us at 612-722-9013.

Sincerely,

Christine Schnaser

Director

MTS Secondary
