

MTS Elementary
TITLE 1
TEACHER/PARENT COMPACT
2017-2018

In order for our students to achieve high academic standards, it is important that our families and our school community work together. Through this partnership, we are all involved in ensuring that students have the necessary resources to succeed. The staff and the parents/guardians of MTS Elementary have high standards and expectation for all students. This compact states how our collaboration will work toward improving the quality of students' educational experiences.

As a School, we will:

- Provide a safe, supportive learning environment with quality staff
- Provide high quality curriculum and educational materials
- Keep families informed of what is happening at school and in the district
- Be available to address ideas, comments and concerns
- Maintain a welcoming environment in which all children and their families are treated with dignity and respect

As a Teacher, I will:

- Maintain high expectations for the academic, behavioral, creative and personal success of every child
- Use standards based instruction to teach reading, math and other academic content for all students
- Monitor students' progress and provide supports where necessary
- Communicate students' successes and challenges to their families
- Welcome and encourage classroom volunteering

As a Student, I will:

- Attend school regularly, arrive on time and come prepared to learn
- Participate in my learning
- Do my homework, read daily outside of school and ask for help when I need it
- Show respect for myself, others and the environment
- Take responsibility for my actions and repair any mischief I may have caused

As a Parent/Guardian, I will:

- Provide a supportive learning environment at home
- Make sure my child gets an adequate night's sleep and comes to school on time, ready to learn
- Attend school functions, conferences, and communicate with my child's teacher and the school as necessary
- Know and support school expectations, policies and procedures
- Keep all contact information current
