

# Autumn Is HERE

## JUST A QUICK NOTE TO ALL GUARDIANS

We love spending time outdoors, even as the weather starts to cool down!

Please dress your child appropriately for the changing fall weather.

Here are some helpful items to send as the seasons change:

- **Sweater or light to medium-weight Jacket**
- **Close-toe Shoes or Waterproof Boots**
- **Light Gloves or Mittens (optional)**
- **Layers that can be added or removed easily**
- **Extra change of clothes, including socks**

**If your family needs help getting any of these items,  
our school has resources available!**
