

MTS Elementary eLearning Plan 2025-2026

Severe weather conditions can sometimes close school because of extreme heat, cold, snow or ice. In the event of a school closing, announcements will be made before 7 am on local radio and television stations and on the school website. Please listen to one of the following: WCCO AM 830 • KSTP TV CHANNEL 5 • KBEM FM 88.5 • KMSP TV CHANNEL 9 WCCO TV CHANNEL 4 • KARE TV CHANNEL 11

In the event of a school closure due to inclement weather or other unforeseen situation, learning expectations for all students continue through an eLearning day. This day refers to a school day where, instead of coming to school, students engage in their learning from home.

- Students will continue with their learning on-line and/or by completing prepared work and activities that were sent home with him or her.
- If a school closure is expected for the next school day, Chromebooks and/or additional materials will be sent home for the next school day - our eLearning Day.
- MTS Elementary Staff will be available by email or Google Classroom throughout the school day from 8:00-2:20. Email and Google Meet links are listed below.
- Students will be considered in attendance by attending an on-line Google Meet with their teacher in either the morning or afternoon and/or by completing and turning in assigned work within **one week** of an eLearning day.
- **Information on the back provides you with times where your child can virtually meet with their teacher as well as their contact information and virtual meeting link information.**

- **Student on-line learning schedule**

Teacher	Morning time	Afternoon time
Ms. Dee (Kindergarten)	9:00-10:00	1:00-2:00
