Looking for a great Twin Cities sober high school for a student in drug or alcohol addiction recovery? PEASE Academy, a charter high school near the University of Minnesota Minneapolis campus, has a respected twenty-nine year history of supporting students in recovery with great success.

You can arrange a personal tour and information session with staff any time by calling 612.378.1377. You might also want to check out the school at a PEASE Academy Informational Meeting, where the Director of the school will explain the academics and the recovery support services available. The dates for the Informational Meetings are:

Saturday, June 8, July 13, August 17 & October 19 from 11:00 – 12:30pm
Monday, June 10, July 15, & August 19 & October 21 from 7:00-8:30 pm

PEASE Academy's unique combination of in school support and counseling, weekly check-in meetings, a zero tolerance for drug or alcohol use while in the program, and small class-size means students get what they need to get back and stay on track.
