

Lottery Process

If the enrollment at any MTCS program exceeds the capacity of the program, class, grade level or physical space, students will be accepted by lot. When space opens up in any program, a lottery will be conducted.

MTCS will give enrollment preference to a sibling of an enrolled student and to a foster child of that pupil's parents. The children of school staff's children will be given preference before accepting other students by lottery.

The lottery will be conducted at the MTCS District Office before the beginning of each enrollment period. Student's names will be placed in a container and names will be drawn by the board appointed lottery official. Parents will be notified by telephone and by mail if their child's name has been drawn.

Adopted by MTCS Board of Directors on November 30, 2011
