

School Anywhere, Anytime

Supplemental online courses are helpful for students with...

- Scheduling conflicts
- Course variety needs
- Alternate learning styles
- Bullying issues
- Early graduation needs
- Mental health situations
- Physical restrictions
- Credit recovery
- Quicker or slower pacing
- 24/7 access to courses
- Flexible start and end dates

Supplemental online courses benefit your school...

- No need to find part-time teachers
- PE course can adapt to students with physical limitations
- Variety of career-focused and unique electives
- Spanish Levels 1-4

Please contact us if your school has specific needs.

Expanding course selection and paths of learning

Supplemental ONLINE Part-Time Program

PART-TIME & SUPPLEMENTAL SCHOOL WITH MNVS:

- Students can take one or up to 50% of total schedule and stay at home district
- Credit recovery options
- Flexible start and end dates
- We work with students' resident district

What we can do for your school and students

Supplemental part-time enrollment is when a student is enrolled in another public school and takes up to half of their courses online.

- Students remain full-time at and graduate from their local district
- Easy enrollment process gets students started quickly
- Flexibility to take one course or up to 50% of courses online per term
- No cost to students or families

- Duration and selection of course(s) are approved by the local school counselor
- All material is online through written and video content
- Courses are aligned to the Minnesota Department of Education Academic Standards

- Bi-weekly progress reports provided along with academic and technical support
- Transcripts with letter grade for each completed course sent to home district
