A Note from the Director of MTS Secondary School

Dear Families and Students,

Welcome to the 2018-2019 school year! We are excited for the school year to begin. The family handbook has been created for you to have a deeper understanding of MTS Secondary School, Powell Leadership and Banaadir Math & Science. As a parent or a student, many questions that you have about school will be answered throughout this handbook.

Here at MTS Secondary School, we welcome and value your input into your child’s education. Our work is a shared responsibility that is built upon academic outcomes through healthy relationships and trust. We look forward to getting to know you and your child/children.

If there is anything that we can do for you or your family, please do not hesitate to stop in and see us or connect with us through phone or email. We have an open door policy, which means, “All are welcome!”

Here’s to a successful 2018-2019 school year.

A Note from Our Superintendent

Dear Families and Students,

It is always exciting when a new school year begins, and all of us have the opportunity for a fresh start. We welcome new students and staff, new programs and renewed energy toward making school a positive place, where success is both encouraged and supported. We intend to do everything we can to make our school community, including its nine on site, online and specialized programs, the best place to get a K-12 education.

There are many ways to get information about the Minnesota Transitions Charter School (MTCS) and your selected program, and this handbook provides a guide for navigating school culture. It tells all of us what we can and cannot do, how we get some things done and where we get more information. Students and parents/guardians are encouraged to use this handbook as a guide.

You may also find what you need on our website (mtcs.org), following us on social media, contacting or visiting your program or by calling the MTCS office (612-722-9013). Please don’t hesitate to ask for help. Our students and families are our number one priority.

Sincerely,

Brian Erlandson, Superintendent

**Achievement**
MTCS recognizes that daily attendance is critical to academic achievement. It is our goal to work with students, families and communities to support regular school attendance and improve academic achievement. Students that attend school consistently have a greater chance of excelling academically.

**Communication**
Communication is an important part of every relationship, including school and home. MTS Secondary will communicate with families in multiple ways:

**Social Media**
Follow MTCS to hear about the exciting things happening in our K-12 Academic Community and at MTS Secondary.  
- **Twitter** (@1MTCS)  
- **Facebook** (MN Transitions Charter School)

**Website (mtcs.org)**
Our website is a good resource for information for families, the greater community and staff. Look under **K-12 Academic Community** and select your program, or select the link on the homepage. Bookmark the website for easier access.

Included on the site is the listing of all staff members and instructional supervisors, department phone numbers, email addresses, student activities information, general calendar and online versions of student publications.

**Conferences, Report Cards, Student Progress**
In addition to receiving daily and weekly work, you have opportunities during the school year to learn of your child’s progress through the form of parent teacher conferences and student report cards.

**Conferences:** Twice a year, you will have the opportunity to meet with your child’s teacher during parent/teacher conferences. Please check the calendar for these dates. You are encouraged to request a conference at any other time you feel there is need. You may e-mail, leave a voicemail or send a note for your child’s teacher to schedule this additional time. The teacher will set the conference at a mutually convenient time.

**Report Cards:** Report cards will be completed and sent home four times this school year. If you have questions regarding your child’s report card, please contact your child’s teacher.

**Grade Access:** Parents will have access to their students grades through the Skyward Grade portal. This can be set up through the dean of academics. Call for more information (952-843-3145).

**Address, Email and Phone Changes**
Parents are requested to inform the office of any student address, phone or email changes. The office will route this information to all persons who work with that student. This includes the health office staff, teachers, attendance, social worker and transportation.

**Attendance**
Minnesota law requires all children and youth, beginning at age seven, to be at school every day on time. Minnesota Transitions Charter School (MTCS) believes that regular school attendance is directly related to success in academic work, benefits students socially by building relationships, provides opportunities for important communications between students and teachers, and establishes regular habits of dependability and responsibility important to the future of the student. Being present in the classroom provides students the ability to ask for clarification, engage in meaningful discussions, and take notes and maintain their coursework.
Student Responsibility
1. It is your right to be in school. It is your responsibility to make sure that you are in school on time, to every class, every day. If you are absent, it is your responsibility to communicate with all your teachers and obtain any missing work. Students generally have two days per day of absence in which to turn in make-up work.
2. First period begins at 9 am, which means that you are in your assigned area and ready to learn at that time.
3. To ensure your safety, once you enter the doors of MTS, you may not leave. If you need items for your day, you MUST obtain them prior to entering the building for the day. If you leave and then attempt to return, we will be notifying your parent/guardian.
4. If you are going to be tardy to school, you MUST provide a note from a parent/guardian or they need to contact the main office in order for the absence to be excused. If you are 18 years of age or older, it is your responsibility to provide the appropriate documentation to excuse your absences.

Parent/Guardian Responsibility
1. It is your responsibility to encourage and ensure the student is attending school everyday, to inform the school in the event of a student’s past and/or upcoming absence, and to work cooperatively with the school and the student to solve any attendance issues that may arise. Please notify us as soon as possible. You may call and or leave a message 24/7 as it is checked each morning school is in session.
2. If your child is out ill for two or more days in one week, a note from a doctor is required in order for it to be excused. We offer health services two days a week here at school as well.
3. If a student is absent from class for any reason and has not cleared the absence with the Attendance Team, you will receive an automated phone call at home to alert you that they have been marked absent. The information relayed by the automatic dialer is not necessarily a complete or accurate representation of the student’s attendance activity, but a reminder that the absence has yet to be cleared. Detailed attendance information is available for both students and parents to review through the Skyward Student Portal. If a student has been marked absent by mistake, please contact us to clarify.

Teacher, Staff and Administration Responsibility
1. It is the teacher’s responsibility to take attendance daily for EACH class they teach to maintain accurate attendance records, to provide any student who has been absent with any missing assignments upon request, and work collaboratively with the student and/or the parent/guardian to solve any attendance problems that may arise.
2. It is also each staff member’s responsibility to be familiar with all the procedures regarding attendance and to apply these procedures uniformly. All staff are responsible for promoting healthy relationships to help fosters students connection to school by welcoming them to the building upon their arrival.

Types of Absences
A. **Excused Absences:** To be excused, the student’s parent/guardian must provide a note in writing, call and leave a message, or email the reason for the student’s absence. Reasons EXCUSED will be as follows:
   - School-sponsored curricular and curricular activities;
   - Official religious holidays;
   - Death or funeral of an immediate family member (parent, stepparent, guardian, sibling, grandparent) or close friend;
• Unique or emergency circumstances (related to family, natural disaster etc.) which are authorized (or, whenever possible, pre-authorized) by a school administrator;
• Chronic or long-term illnesses which are verified by a doctor’s signed statement and authorized by a school administrator;
• Authorized appointments with school personnel;
• Military deployment of a family member or student;
• In-school suspension, out-of-school suspension
• Illness (if gone for two or more days in a week, a note from a Dr. is required)
• Serious illness in the student’s immediate family;
• Medical, dental, or mental health appointments that cannot be made outside of school time. If it needs to be during the school day, please arrange for the appointment to be right away in the morning or later in the afternoon to respect the student and teacher’s time in the classroom.
• School Bus Transportation—If the school bus arrives late or did not show entirely, you must report this to the transportation company AND the School as soon as possible to address the issue.
• Court appearances occasioned by family or personal action
• College field trips—MUST be Pre-Approved
• Absences related to homelessness approved by Homeless Liaison

B. Unexcused Absences: Unexcused absences occur when a student chooses to be absent from school without school approval, the school has not been notified by a parent/guardian, or the student’s absence is not valid. Reasons that are UNEXCUSED:

• Truancy: An absence by a student not approved by the parent and/or school
• Doing school work at home
• Working at their job, including family owned businesses (unless have an approved work contract on file with the school)
• Vacations with family
• Shopping
• Absences resulting from cumulated unexcused tardies (Four tardies equal one unexcused absence)

C. Tardies: Tardies are defined as being late to class without an excused pass. The student is expected to be in their assigned area at the conclusion of the bell, each class period. Students arriving tardy to class will be marked accordingly unless they arrive with a written excuse from a staff member. Being punctual is an important habit to develop to promote responsibility and independence. Students who are tardy to class miss valuable instruction and cause disruption in their class. Consequences such as lunch or after school detention may be assigned. Again, four tardies equal one unexcused absence.

Procedures to Improve Attendance
MTCS utilizes Hennepin County Attendance Laws as the majority of our student populations reside there. If your student does not reside in Hennepin County, we will consult with the appropriate county.

Step 1: At any point in the school year, any staff member may meet with the student and/or contact the parent/guardian to discuss a student’s attendance. However, the formal process begins once a student reaches 3 unexcused absences, including non-consecutively and only tardies, and a member of the Attendance Improvement Team has met with the student. This meeting may include, but not limited to:
• Explain the attendance policy to the student;
• Provide the student with their attendance report;
• Talking with the student to learn barriers to getting to school on time everyday;
• Create an agreement between the staff member, teachers, the student, and the parent;
• Notify the parent and obtain input regarding their role in supporting the student’s attendance in school.
• Provide the agreement to necessary people in order to provide support to the student.

Step 2: If the student continues to be truant from school and reaches 5 unexcused absences, notification of the absences will be communicated to the student’s parent/guardian by mail. At this time, a meeting with the student and their parent/guardian will also be requested.

Step 3: If the student continues to be truant from school and reaches 9 unexcused absences, they student will be referred to the Hennepin County Attorney’s Office Be@School Program. The Hennepin County Attorney’s Office will contact the parent/guardian directing them to attend a Parent Group Meeting (PGM). At the PGM, a be@school representative will explain compulsory school attendance laws and consequences of continued unexcused absences, the benefits of education, and the services available to assist families. Some families will be assigned to a Contracted Community Agency (CCA) at this time. The CCA will provide direct services to assist the family in getting the child to school and refer the family to other services needed to remove attendance barriers.

Step 4: If the student continues to be truant from school and reaches 12 unexcused absences, the second referral will be made to the Hennepin County Attorney’s Office. All families will be directed by mail to contact their assigned CCA worker and begin case management services. Some families will be directed to attend a School Team Attendance Review (STAR) meeting. The STAR meeting will be attended by the parent(s), the student (12 – 17 years), a be@school representative, the CCA worker, and if available, a school representative. The goal of the STAR meeting is to create a detailed plan to resolve barriers which negatively impact the student’s attendance.

Step 5: If the student continues to be truant from school and reaches 15 unexcused absences, the third referral will be made to the Hennepin County Attorney’s Office. If the student continues to miss school after the third report, the County Attorney’s Office will consult for possible petition filer in juvenile court. The court hearing will focus on services and sanctions that promote attendance and educational success for the student (e.g., tutoring, credit recovery, mentoring, etc.). Parent involvement will be actively pursued. If multiple interventions have been attempted and the child
becomes an older truant, services may no longer be offered. If a student has unexcused absences for 50% of the class time, the administration may impose a loss of academic credit in the class(es) from which the student has been absent. However, prior to the loss of credit, a meeting must occur with the academic dean, member of the attendance improvement team, student and parent/guardian.

Personal electronic devices include all electronic communication and entertainment devices that can be used by a student that includes cellphones, cameras, music players, calculators, electronic games,
video players, computers, and personal digital assistants. PEDs may be used during passing time or in classrooms with teacher permission. Electronic use should NOT disrupt the school environment, promote inappropriate behavior or violate rights to privacy (this includes staff and students). Cell phones should be turned off and remain in the student’s locker or backpack during class time.

**Parent Communication via Cell Phones**

Please refrain from contacting your child during school day. If you need to get in touch with your child due to an emergency, please contact our office at 952-843-9040.

Items and messages brought to school for students during school hours are to be brought to the office. Please do not deliver them to the classroom, as this interferes with the continuity of the learning process.

**Computer Use/Copyright Policies:**

Computers are provided for student use at several locations. Students are advised that “computer hacking,” use of the computers to duplicate copyrighted materials or other inappropriate use may result in losing access to the machines and/or referral to authorities. Faculty and administrative computers are off limits to students. MTS Secondary School provides students with a district assigned email. All email messages sent and received by students are archived and retained per legal statutory requirements. The district reserves the right to revoke a student’s email account at any time due to inappropriate use. For additional information refer to School Board Policies and on the district website or in the school office.

**Health Care**
Immunizations: Minnesota laws require proof of immunizations for all school children. Parents are asked to provide immunization records upon school registration. If you have questions regarding immunization requirements, contact your health care provider or school health office staff.

Illness and injury at school: If your child becomes ill while in school, school personnel need to be able to contact you. We will not release ill students to go home without contacting a parent or guardian. Transportation
For the 2018-2019 school year, MTS will provide a school bus for students in grades 7 through 10 and living in the Minneapolis area. Students in grades 11 and 12 will receive a Student Go-To Card through Metro Transit.
MTCS School Bus
The bus is an extension of the school day. Bus consequences may be superseded by the District policy. The bus driver has the authority to assign seats. The Minnesota Transitions Charter Schools sexual/racial/religious harassment policy and weapons policy will be strictly enforced on the bus as well as at school.

Have a safe trip on the bus!
1. Stay out of the “Danger Zones” outside the bus.
2. Follow driver’s instructions.
3. Be on time.
4. Always SIT DOWN.
5. Be courteous. No fighting, swearing or yelling.
6. No EATING or DRINKING.
8. Keep your head and arms inside the bus windows.
9. No pets or dangerous objects.

MTCS Transportation Policy
Riding a school bus is a privilege, not a right. To help ensure the safety of students, transportation employees and other motorists, students are expected to abide by all student behavior rules outlined in board policy and reviewed in this handbook, and by the additional transportation safety rules reviewed in the following chart. Video cameras are used on some school buses, and students’ conversations and actions may be recorded on video/audio tape. The use of video cameras is intended to decrease student misbehavior and allow safe bus operation for students, drivers and other motorists.

While riding in a district vehicle, in accordance with state law, students shall not transport gasoline, animals or any other dangerous or objectionable objects, except for animals specifically trained to assist people who are blind or have other disabilities. Students are allowed to bring other items on the bus that can be held on the student’s lap or at his/her seat in a safe manner as long as it does not displace another student. Items such as skateboards, roller blades, ice skates, bats, etc. are allowed on the bus when stored in an appropriate bag/container so as to prevent injury to bus passengers. Items that are longer than 39 inches (the height of the bus seat back) are prohibited without approval from the Transportation Department. Students who violate these or other district policies and regulations while riding in a district vehicle or at a school bus stop will be disciplined in accordance with student behavior rules outlined in board policy and reviewed in this handbook and may be denied transportation privileges in addition to the consequences listed on the Bus Behavior Offense Chart located on the MTCS.org Website.
*Student conferences and parent/guardian notification; may include, but is not limited, to parent conference, restitution, detention, one day suspension from the bus and up to one day out-of-school suspension.

To ensure on-time arrival at schools, students are expected to be present to the bus stop 10 minutes prior to the scheduled pick-up time. The bus driver is responsible for maintaining appropriate student behavior on the bus and is authorized to assign students to specific seats. Once students board the bus they must remain on the bus until they have reached their school or designated stop. The driver will report students who violate the rules to the student’s school principal or the Transportation Department student conduct specialist.

If a student’s transportation privileges are denied because of the student’s misbehavior, the student’s parent(s) or guardian(s) will be responsible for transporting the student to and from school. Any student who is issued a citation trespassing them from a school property will lose their bus riding privileges to/from that property. (Student behavior policies will be adjusted – as required by federal and state laws and regulations – for special education students who have individual education plans [IEPs].)

Minnesota Statute 121A.59 states: “Transportation by school bus is a privilege, not a right, for an eligible student. A student’s eligibility to ride a school bus may be revoked for a violation of school bus safety or conduct policies, or for violation of any other law governing student conduct on a school bus, pursuant to a written school district discipline policy. Revocation of a student’s bus riding privilege is not an exclusion, expulsion, or suspension under the Pupil Fair Dismissal Act. Revocation procedures for a student who is an individual with a disability under the Individuals with Disabilities Education Act, United States Code, title 20, section 1400 et seq., section 504 of the Rehabilitation Act of 1973, United States Code, title 29, section 794, and the Americans with Disabilities Act, Public Law Number 101-336, are governed by these provisions.”

MTS Metro Go-To Card Program
A Go-To Card is a pre-paid fare card that allows for unlimited rides on city buses and light rail to and from school instead of riding the traditional yellow school bus. The cards can be used after school hours for other student activities.

• Students may also use their Go-To Cards for extracurricular activities before and after school hours. It offers students scheduling flexibility and access to a wide variety of learning opportunities in the community.
• Students will have more opportunities to remain at school for academic programs, sports and other activities beyond the regular school day.
• The program supports improved student attendance and retention.
• For more information go to the district website mtcs.org (Transportation)

Discipline Addendum

All students have the right to an excellent education. At MTS Secondary, Powell Leadership and Banaadir Math & Science, we strive to maintain a safe learning environment. Students that consistently disrupt the learning environment or exhibit unsafe behaviors will be subject to discipline.

SUSPENSION from School: The students’ right to education at the school is suspended (put on hold) for a period of time, typically 1-5 days
EXPULSION from School: School board decision to suspend the student from all MTCS programs for period of of 12 months

Policy 514 (Bullying) [Minn. Stat. § 121A.031]:

I. PURPOSE
A safe and civil environment is needed for students to learn and attain high academic standards and to promote healthy human relationships. Bullying, like other violent or disruptive behavior, is conduct that interferes with a student's ability to learn and/or a teacher's ability to educate students in a safe environment. Minnesota Transitions Charter School (MTCS) cannot monitor the activities of students at all times and eliminate all incidents of bullying between students, particularly when students are not under the direct supervision of school personnel. However, to the extent such conduct affects the educational environment of MTCS and the rights and welfare of its students and is within the control of MTCS in its normal operations, MTCS intends to prevent bullying and to take action to investigate, respond to, and to remediate and discipline for those acts of bullying which have not been successfully prevented. The purpose of this policy is to assist MTCS in its goal of preventing and responding to acts of bullying, intimidation, violence, reprisal, retaliation, and other similar disruptive and detrimental behavior.

II. GENERAL STATEMENT OF POLICY
A. An act of bullying, by either an individual student or a group of students, is expressly prohibited on school premises, on MTCS property, at school functions or activities, or on school transportation. This policy also applies to any student whose conduct at any time or in any place constitutes bullying or other prohibited conduct that interferes with or obstructs the mission or operations of MTCS or the safety or welfare of the student or other students, or materially and substantially interferes with a student's educational opportunities or performance or ability to participate in school functions or activities or receive school benefits, services, or privileges. This policy also applies to an act of cyberbullying regardless of whether such act is committed on or off MTCS property and/or with or without the use of MTCS resources.
B. No teacher, administrator, volunteer, contractor, or other employee of MTCS shall permit, condone, or tolerate bullying.
C. Apparent permission or consent by a student being bullied does not lessen or negate the prohibitions contained in this policy.
D. Retaliation against a victim, good faith reporter, or a witness of bullying is prohibited.
E. False accusations or reports of bullying against another student are prohibited.
F. A student who engages in an act of bullying, reprisal, retaliation, or knowingly making a false report of bullying shall be subject to discipline or other remedial responses for that act in accordance with MTCS's policies and procedures, including MTCS's discipline policy. A teacher, administrator, volunteer, contractor, or other employee of MTCS who permits, condones, or tolerates bullying or engages in an act of reprisal, retaliation, or knowingly making a false report of bullying shall be subject to disciplinary action. MTCS may take into account the following factors:
   1. The developmental ages and maturity levels of the parties involved;
   2. The levels of harm, surrounding circumstances, and nature of the behavior;
   3. Past incidences or past or continuing patterns of behavior;
   4. The relationship between the parties involved; and
   5. The context in which the alleged incidents occurred.

• Consequences for students who commit acts of bullying or other prohibited conduct may range from remedial responses or positive behavioral interventions up to and including suspension and/or expulsion. MTCS shall employ research-based developmentally appropriate best practices that include preventative
and remedial measures and effective discipline for deterring violations of this policy, apply throughout MTCS, and foster student, parent, and community participation.

• Consequences for employees who permit, condone, or tolerate bullying or engage in an act of reprisal or intentional false reporting of bullying may result in disciplinary action up to and including termination or discharge.

• Consequences for other individuals engaging in prohibited acts of bullying may include, but not be limited to, exclusion from MTCS property and events.

G. MTCS will act to investigate all complaints of bullying reported to MTCS and will discipline or take appropriate action against any student, teacher, administrator, volunteer, contractor, or other employee of MTCS who is found to have violated this policy.

III. DEFINITIONS

For purposes of this policy, the definitions included in this section apply.

A. “Bullying” means intimidating, threatening, abusive, or harming conduct that is objectively offensive and:

1. an actual or perceived imbalance of power exists between the student engaging in the prohibited conduct and the target of the prohibited conduct, and the conduct is repeated or forms a pattern; or

2. materially and substantially interferes with a student’s educational opportunities or performance or ability to participate in school functions or activities or receive school benefits, services, or privileges.

The term, “bullying,” specifically includes cyberbullying as defined in this policy.

B. “Cyberbullying” means bullying using technology or other electronic communication, including, but not limited to, a transfer of a sign, signal, writing, image, sound, or data, including a post on a social network Internet website or forum, transmitted through a computer, cell phone, or other electronic device. The term applies to prohibited conduct which occurs on school premises, on MTCS property, at school functions or activities, on school transportation, or on school computers, networks, forums, and mailing lists, or off school premises to the extent that it substantially and materially disrupts student learning or the school environment.

C. “Immediately” means as soon as possible but in no event longer than one school day.

D. “Intimidating, threatening, abusive, or harming conduct” means, but is not limited to, conduct that does the following:

1. Causes physical harm to a student or a student’s property or causes a student to be in reasonable fear of harm to person or property;

2. Under Minnesota common law, violates a student’s reasonable expectation of privacy, defames a student, or constitutes intentional infliction of emotional distress against a student; or

3. Is directed at any student or students, including those based on a person’s actual or perceived race, ethnicity, color, creed, religion, national origin, immigration status, sex, marital status, familial status, socioeconomic status, physical appearance, sexual orientation including gender identity and expression, academic status related to student performance, disability, or status with regard to public assistance, age, or any additional characteristic defined in the Minnesota Human Rights Act (MHRA). However, prohibited conduct need not be based on any particular characteristic defined in this paragraph or the MHRA.

E. “On school premises, on MTCS property, at school functions or activities, or on school transportation” means all MTCS buildings, school grounds, and school property or property immediately adjacent to school grounds, school bus stops, school buses, school vehicles, school contracted vehicles, or any other vehicles approved for MTCS purposes, the area of entrance or departure from school grounds, premises, or events, and all school-related functions, school-sponsored activities, events, or trips. MTCS property also may mean a student’s walking route to or from school for purposes of attending school or school-related functions, activities, or events. While prohibiting bullying at these locations and events, MTCS does not represent that it will provide supervision or assume liability at these locations and events.

F. “Prohibited conduct” means bullying or cyberbullying as defined in this policy or retaliation or reprisal for asserting, alleging, reporting, or providing information about such conduct or knowingly making a false report about bullying.

G. “Remedial response” means a measure to stop and correct prohibited conduct, prevent prohibited conduct from recurring, and protect, support, and intervene on behalf of a student who is the target or victim of prohibited conduct.

H. “Student” means a student enrolled in MTCS.
IV. REPORTING PROCEDURE
A. Any student who believes he or she has been the target or victim of bullying should report the alleged acts immediately to an appropriate MTCS official designated by this policy. A person may report bullying anonymously. However, MTCS may not rely solely on an anonymous report to determine discipline or other remedial responses. Any teacher, administrator, volunteer, contractor, or other employee of MTCS with knowledge or belief of conduct that may constitute bullying or prohibited conduct under this policy shall report the alleged acts immediately to an appropriate MTCS official.
B. MTCS encourages the reporting party or complainant to use the report form available from the principal or building supervisor of each building or available in the MTCS office, but oral reports shall be considered complaints as well.
C. The building principal, the principal’s designee, or the building supervisor (hereinafter the “building report taker”) is the person responsible for receiving reports of bullying or other prohibited conduct at the building level. Any person may report bullying or other prohibited conduct directly to a MTCS human rights officer or the Superintendent. If the complaint involves the building report taker, the complaint shall be made or filed directly with the Superintendent or the MTCS human rights officer by the reporting party or complainant. The building report taker shall ensure that this policy and its procedures, practices, consequences, and sanctions are fairly and fully implemented and shall serve as the primary contact on policy and procedural matters. The building report taker or a third party designated by MTCS shall be responsible for the investigation. The building report taker shall provide information about available community resources to the target or victim of the bullying or other prohibited conduct, the perpetrator, and other affected individuals as appropriate.
D. A teacher, school administrator, volunteer, contractor, or other school employee shall be particularly alert to possible situations, circumstances, or events that might include bullying. Any such person who witnesses, observes, receives a report of, or has other knowledge or belief of conduct that may constitute bullying or other prohibited conduct shall make reasonable efforts to address and resolve the bullying or prohibited conduct and shall inform the building report taker immediately. MTCS personnel who fail to inform the building report taker of conduct that may constitute bullying or other prohibited conduct or who fail to make reasonable efforts to address and resolve the bullying or prohibited conduct in a timely manner may be subject to disciplinary action.
E. Reports of bullying or other prohibited conduct are classified as private educational and/or personnel data and/or confidential investigative data and will not be disclosed except as permitted by law. The building report taker, in conjunction with the responsible authority, shall be responsible for keeping and regulating access to any report of bullying and the record of any resulting investigation.
F. Submission of a good faith complaint or report of bullying or other prohibited conduct will not affect the complainant’s or reporter’s future employment, grades, work assignments, or educational or work environment.
G. MTCS will respect the privacy of the complainant(s), the individual(s) against whom the complaint is filed, and the witnesses as much as possible, consistent with MTCS’ obligation to investigate, take appropriate action, and comply with any legal disclosure obligations.

V. MTCS ACTION
A. Within three school days of the receipt of a complaint or report of bullying or other prohibited conduct, MTCS shall undertake or authorize an investigation by the building report taker or a third party designated by MTCS.
B. The building report taker or other appropriate MTCS officials may take immediate steps, at their discretion, to protect the target or victim of the bullying or other prohibited conduct, the complainant, the reporter, and students or others, pending completion of an investigation of the bullying or other prohibited conduct, consistent with applicable law.
C. The alleged perpetrator of the bullying or other prohibited conduct shall be allowed the opportunity to present a defense during the investigation or prior to the imposition of discipline or other remedial responses.
D. Upon completion of an investigation that determines that bullying or other prohibited conduct has occurred, MTCS will take appropriate action. Such action may include, but is not limited to, warning, suspension, exclusion, expulsion, transfer, remediation, termination, or discharge. Disciplinary consequences will be sufficiently severe to try to deter violations and to appropriately discipline prohibited conduct. Remedial responses to the bullying or other prohibited conduct shall be tailored to the particular incident
and nature of the conduct and shall take into account the factors specified in Section II.F. of this policy. MTCS action taken for violation of this policy will be consistent with the requirements of applicable statutory authority, including the Minnesota Pupil Fair Dismissal Act; the student discipline policy and other applicable MTCS policies; and applicable regulations.

E. MTCS is not authorized to disclose to a victim private educational or personnel data regarding an alleged perpetrator who is a student or employee of MTCS. School officials will notify the parent(s) or guardian(s) of students who are targets of bullying or other prohibited conduct and the parent(s) or guardian(s) of alleged perpetrators of bullying or other prohibited conduct who have been involved in a reported and confirmed bullying incident of the remedial or disciplinary action taken, to the extent permitted by law.

F. In order to prevent or respond to bullying or other prohibited conduct committed by or directed against a child with a disability, MTCS shall, when determined appropriate by the child's individualized education program (IEP) team or Section 504 team, allow the child's IEP or Section 504 plan to be drafted to address the skills and proficiencies the child needs as a result of the child's disability to allow the child to respond to or not to engage in bullying or other prohibited conduct.

VI. RETALIATION OR REPRISAL
MTCS will discipline or take appropriate action against any student, teacher, administrator, volunteer, contractor, or other employee of MTCS who commits an act of reprisal or who retaliates against any person who asserts, alleges, or makes a good faith report of alleged bullying or prohibited conduct, who provides information about bullying or prohibited conduct, who testifies, assists, or participates in an investigation of alleged bullying or prohibited conduct, or who testifies, assists, or participates in a proceeding or hearing relating to such bullying or prohibited conduct. Retaliation includes, but is not limited to, any form of intimidation, reprisal, harassment, or intentional disparate treatment. Disciplinary consequences will be sufficiently severe to deter violations and to appropriately discipline the individual(s) who engaged in the prohibited conduct. Remediial responses to the prohibited conduct shall be tailored to the particular incident and nature of the conduct and shall take into account the factors specified in Section II.F. of this policy.

VII. TRAINING AND EDUCATION
A. MTCS shall discuss this policy with school personnel and volunteers and provide appropriate training to MTCS personnel regarding this policy. MTCS shall establish a training cycle for school personnel to occur during a period not to exceed every three school years. Newly employed school personnel must receive the training within the first year of their employment with MTCS. MTCS or a school administrator may accelerate the training cycle or provide additional training based on a particular need or circumstance. This policy shall be included in employee handbooks, training materials, and publications on school rules, procedures, and standards of conduct, which materials shall also be used to publicize this policy.

B. MTCS shall require ongoing professional development, consistent with Minn. Stat. § 122A.60, to build the skills of all school personnel who regularly interact with students to identify, prevent, and appropriately address bullying and other prohibited conduct. Such professional development includes, but is not limited to, the following:

1. Developmentally appropriate strategies both to prevent and to immediately and effectively intervene to stop prohibited conduct;
2. The complex dynamics affecting a perpetrator, target, and witnesses to prohibited conduct;
3. Research on prohibited conduct, including specific categories of students at risk for perpetrating or being the target or victim of bullying or other prohibited conduct in school;
4. The incidence and nature of cyberbullying; and
5. Internet safety and cyberbullying.

C. MTCS annually will provide education and information to students regarding bullying, including information regarding this MTCS policy prohibiting bullying, the harmful effects of bullying, and other applicable initiatives to prevent bullying and other prohibited conduct.

D. The administration of MTCS is directed to implement programs and other initiatives to prevent bullying, to respond to bullying in a manner that does not stigmatize the target or victim, and to make resources or referrals to resources available to targets or victims of bullying.

E. The administration is encouraged to provide developmentally appropriate instruction and is directed to review programmatic instruction to determine if adjustments are necessary to help students identify
and prevent or reduce bullying and other prohibited conduct, to value diversity in school and society, to
develop and improve students’ knowledge and skills for solving problems, managing conflict, engaging in
civil discourse, and recognizing, responding to, and reporting bullying or other prohibited conduct, and to
make effective prevention and intervention programs available to students. The administration must establish
strategies for creating a positive school climate and use evidence-based social-emotional learning to prevent
and reduce discrimination and other improper conduct.
F. Affected students and their parents may have rights under state and federal data practices laws to obtain
access to data related to an incident and to contest the accuracy or completeness of the data.

VIII. NOTICE
A. MTCS will give annual notice of this policy to students, parents or guardians, and staff, and this policy shall
appear in the student handbook.
B. This policy or a summary thereof must be conspicuously posted in the administrative offices of MTCS and
the office of each school.
C. This policy must be given to each school employee and independent contractor who regularly interacts
with students at the time of initial employment with MTCS.
D. Notice of the rights and responsibilities of students and their parents under this policy must be included in
the student discipline policy distributed to parents at the beginning of each school year.
E. This policy shall be available to all parents and other school community members in an electronic format in
the language appearing on MTCS’s or a school’s website.
F. MTCS shall provide an electronic copy of its most recently amended policy to the Commissioner of
Education.

IX. POLICY REVIEW
To the extent practicable, the MTCS Board shall, on a cycle consistent with other MTCS policies, review and
revise this policy. The policy shall be made consistent with Minn. Stat. § 121A.031 and other applicable law.
Revisions shall be made in consultation with students, parents, and community organizations.

Policy 526 (Hazing) [Minn. Stat. § 121A.69]

I. PURPOSE
The purpose of this policy is to maintain a safe learning environment for students and staff that is free from
hazing. Hazing activities of any type are inconsistent with the educational goals of Minnesota Transitions
Charter School (MTCS) and are prohibited at all times.

II. GENERAL STATEMENT OF POLICY
A. No student, teacher, administrator, volunteer, contractor, or other employee of MTCS shall plan, direct,
encourage, aid, or engage in hazing.
B. No teacher, administrator, volunteer, contractor, or other employee of MTCS shall permit, condone, or
tolerate hazing.
C. Apparent permission or consent by a person being hazed does not lessen the prohibitions contained in this
policy.
D. Retaliation against a victim, good faith reporter, or a witness of hazing is prohibited.
E. False accusations or reports of hazing against a student, teacher, administrator, volunteer, contractor, or
other employee are prohibited.
F. A person who engages in an act of hazing, reprisal, retaliation, or false reporting of hazing or permits,
condones, or tolerates hazing shall be subject to discipline or other remedial responses for that act in
accordance with MTCS’s policies and procedures.

• Consequences for students who commit, tolerate, or are a party to prohibited acts of hazing may range
from remedial responses or positive behavioral interventions up to and including suspension and/or
expulsion.
• Consequences for employees who permit, condone, or tolerate hazing or engage in an act of reprisal or
intentional false reporting of hazing may result in disciplinary action up to and including termination or
discharge.
• Consequences for other individuals engaging in prohibited acts of hazing may include, but not be limited
to, exclusion from MTCS property and events and/or termination of services and/or contracts.

G. This policy applies to hazing that occurs during and after school hours, on or off school premises or property, at school functions or activities, or on school transportation.

H. A person who engages in an act that violates school policy or law in order to be initiated into or affiliated with a student organization shall be subject to discipline for that act.

I. MTCS will act to investigate all complaints of hazing and will discipline or take appropriate action against any student, teacher, administrator, volunteer, contractor, or other employee of MTCS who is found to have violated this policy.

III. DEFINITIONS

A. “Hazing” means committing an act against a student, or coercing a student into committing an act, that creates a substantial risk of harm to a person, in order for the student to be initiated into or affiliated with a student organization, or for any other school-related purpose. The term hazing includes, but is not limited to:

1. Any type of physical brutality such as whipping, beating, striking, branding, electronic shocking, or placing a harmful substance on the body.
2. Any type of physical activity such as sleep deprivation, exposure to weather, confinement in a restricted area, calisthenics, or other activity that subjects the student to an unreasonable risk of harm or that adversely affects the mental or physical health or safety of the student.
3. Any activity involving the consumption of any alcoholic beverage, drug, tobacco product, or any other food, liquid, or substance that subjects the student to an unreasonable risk of harm or that adversely affects the mental or physical health or safety of the student.
4. Any activity that intimidates or threatens the student with ostracism, that subjects a student to extreme mental stress, embarrassment, shame, or humiliation, that adversely affects the mental health or dignity of the student or discourages the student from remaining in school.
5. Any activity that causes or requires the student to perform a task that involves violation of state or federal law or of MTCS policies or regulations.

B. “Immediately” means as soon as possible but in no event longer than 24 hours.

C. “On school premises or MTCS property, or at school functions or activities, or on school transportation” means all MTCS buildings, school grounds, and school property or property immediately adjacent to school grounds, school bus stops, school buses, school vehicles, school contracted vehicles, or any other vehicles approved for MTCS purposes, the area of entrance or departure from school grounds, premises, or events, and all school-related functions, school-sponsored activities, events, or trips. MTCS property also may mean a student’s walking route to or from school for purposes of attending school or school-related functions, activities, or events. While prohibiting hazing at these locations and events, MTCS does not represent that it will provide supervision or assume liability at these locations and events.

D. “Remedial response” means a measure to stop and correct hazing, prevent hazing from recurring, and protect, support, and intervene on behalf of a student who is the target or victim of hazing.

E. “Student” means a student enrolled in a public school or a charter school.

F. “Student organization” means a group, club, or organization having students as its primary members or participants. It includes grade levels, classes, teams, activities, or particular school events. A student organization does not have to be an official school organization to come within the terms of this definition.

IV. REPORTING PROCEDURES

A. Any person who believes he or she has been the target or victim of hazing or any person with knowledge or belief of conduct which may constitute hazing shall report the alleged acts immediately to an appropriate MTCS official designated by this policy. A person may report hazing anonymously. However, MTCS may not rely solely on an anonymous report to determine discipline or other remedial responses.

B. MTCS encourages the reporting party to use the report form available from the principal/director of each building or available from the MTCS main office, but oral reports shall be considered complaints as well. The building principal/director, the principal/director’s designee, or the building supervisor (hereinafter the “building report taker”) is the person responsible for receiving reports of hazing at the building level. Any adult school personnel who receives a report of hazing prohibited by this policy shall inform the building report taker immediately. Any person may report hazing directly to a MTCS human rights officer or to the
Superintendent. If the complaint involves the building report taker, the complaint shall be made or filed directly with the Superintendent or the MTCS human rights officer by the reporting party or complainant. The building report taker shall ensure that this policy and its procedures, practices, consequences, and sanctions are fairly and fully implemented and shall serve as a primary contact on policy and procedural matters.

C. A teacher, administrator, volunteer, contractor, and other school employees shall be particularly alert to possible situations, circumstances, or events which might include hazing. Any such person who witnesses, observes, receives a report of, or has other knowledge or belief of conduct which may constitute hazing shall make reasonable efforts to address and resolve the hazing and shall inform the building report taker immediately. MTCS personnel who fail to inform the building report taker of conduct that may constitute hazing or who fail to make reasonable efforts to address and resolve the hazing in a timely manner may be subject to disciplinary action.

D. Submission of a good faith complaint or report of hazing will not affect the complainant or reporter’s future employment, grades, work assignments, or educational or work environment.

E. Reports of hazing are classified as private educational and/or personnel data and/or confidential investigative data and will not be disclosed except as permitted by law. The building report taker, in conjunction with the responsible authority, shall be responsible for keeping and regulating access to any report of hazing and the record of any resulting investigation.

F. MTCS will respect the privacy of the complainant(s), the individual(s) against whom the complaint is filed, and the witnesses as much as possible, consistent with MTCS’s legal obligations to investigate, to take appropriate action, and to comply with any discovery or disclosure obligations.

V. MTCS ACTION

A. Within three (3) school days of the receipt of a complaint or report of hazing, MTCS shall undertake or authorize an investigation by MTCS officials or a third party designated by MTCS.

B. The building report taker or other appropriate MTCS officials may take immediate steps, at their discretion, to protect the target or victim of the hazing, the complainant, the reporter, and students or others pending completion of an investigation of alleged hazing prohibited by this policy.

C. The alleged perpetrator of the hazing shall be allowed the opportunity to present a defense during the investigation or prior to the imposition of discipline or other remedial responses.

D. Upon completion of an investigation that determines hazing has occurred, MTCS will take appropriate action. Such action may include, but is not limited to, warning, suspension, exclusion, expulsion, transfer, remediation, termination, or discharge. Disciplinary consequences will be sufficiently severe to try to deter violations and to appropriately discipline prohibited behavior. MTCS action taken for violation of this policy will be consistent with the requirements of applicable collective bargaining agreements; applicable statutory authority, including the Minnesota Pupil Fair Dismissal Act; and applicable MTCS policies and regulations.

E. MTCS is not authorized to disclose to a victim private educational or personnel data regarding an alleged perpetrator who is a student or employee of MTCS. School officials will notify the parent(s) or guardian(s) of students who are targets or victims of hazing and the parent(s) or guardian(s) of alleged perpetrators of hazing who have been involved in a reported and confirmed hazing incident of the remedial or disciplinary action taken, to the extent permitted by law.

F. In order to prevent or to respond to hazing committed by or directed against a child with a disability, MTCS shall, where determined appropriate by the child’s individualized education program (IEP) team or Section 504 team, allow the child’s IEP or Section 504 plan to be drafted to address the skills and proficiencies the child needs as a result of the child’s disability to allow the child to respond to or not to engage in hazing.

VI. RETALIATION OR REPRISAL

MTCS will discipline or take appropriate action against any student, teacher, administrator, volunteer, contractor, or other employee of MTCS who commits an act of reprisal or who retaliates against any person who asserts, alleges, or makes a good faith report of alleged hazing, who provides information about hazing, who testifies, assists, or participates in an investigation of alleged hazing, or who testifies, assists, or participates in a proceeding or hearing relating to such hazing. Retaliation includes, but is not limited to, any form of intimidation, reprisal, harassment, or intentional disparate treatment. Disciplinary consequences will be sufficiently severe to deter violations and to appropriately discipline the individual(s) who engaged in the prohibited conduct. Remedial responses to the prohibited conduct shall be tailored to the particular incident and nature of the conduct.
VII. DISSEMINATION OF POLICY
A. This policy shall appear in each school’s student handbook and in each school’s building and staff handbooks.
B. MTCS will develop a method of discussing this policy with students and employees.

Policy 531 (Pledge of Allegiance) [Minn. Stat. § 121A.11]:
I. PURPOSE
The Minnesota Transitions Charter School (MTCS) Board recognizes the need to display an appropriate United States flag and to provide instruction to students in the proper etiquette, display, and respect of the flag. The purpose of this policy is to provide for recitation of the Pledge of Allegiance and instruction in school to help further that end.

II. GENERAL STATEMENT OF POLICY
Students in MTCS shall recite the Pledge of Allegiance to the flag of the United States of America one or more times each week. The recitation shall be conducted:
A. By each individual classroom teacher or the teacher’s surrogate; or
B. Over a school intercom system by a person designated by the school principal or other person having administrative control over the school.

III. EXCEPTIONS
Anyone who does not wish to participate in reciting the Pledge of Allegiance for any personal reasons may elect not to do so. Students and school personnel must respect another person’s right to make that choice. This statement allowing students to elect to not participate shall be included in the student handbook.

IV. INSTRUCTION
Students will be instructed in the proper etiquette toward, correct display of, and respect for the flag, and in patriotic exercises.
