Dear MTS Secondary Families,

MTS Secondary is dedicated to providing all students with an excellent education so that each child can succeed in school and in life. To ensure your child’s success, we have set high standards that are reflected in what is taught in our classrooms. In the coming school year we will look at multiple assessment measures that indicate how our school is succeeding. This will ensure that we reach our goal of all children succeeding in school and in life.

Families and communities are at the center of our school improvement plan. Your engagement and support in your child’s education is critical to his or her success. Communicate with your child’s teacher(s) with how you can best support the work they are doing in the classroom. All staff email addresses and school phone numbers are posted on our school’s website. MTS Secondary will also be offering several activities for you to be engaged in your child’s education.

There are many opportunities for family members to attend events at our school. Listed below please find a list of events we are planning for the 2018-2019 school year to promote and support collaboration between school, home and community:

MTCS Fun Fest August 18, 2018
Meet and Greet/Registration Night August 24, 2018
Fall Conferences October 16 and 17, 2018
Family Resource Fair November 16, 2018
Winter Conferences March 14 and 21, 2019
Title 1 Family Night April 18, 2019
8th Grade Promotion Event June 6, 2019
Senior Graduation June 8, 2019

Know that we understand that attending every event may not be possible but you can still be engaged and support your child’s education through steps like providing a quiet place for homework, ensuring consistent daily attendance, and talking with your child about his or her day.

We look forward to a fantastic school year. Minnesota Transitions Charter School will have its annual meeting to inform parents and the community about our Title 1 program. Mark your calendar for October 25th located at the MTS Secondary School. If you have any questions regarding the direction of MTS Secondary please call us at 612-722-9013.

Sincerely,

Christine Schnaser
Director MTS Secondary
