SEAC (oo loo yaqaan “raadsasho”) ayaa ah ereyo kooban oo loogu talagalay Golaha La-talinta Waxbarashada Gaarka ah, kaas oo ah koox bixisa talooyin ku saabsan arrimaha waxbarashada gaarka ah ee loo yaqaan “Transition Charter School” (MTCS). Hadafkeedu waa inuu ku taliyo oo u doodo, maaha in uu go’aamiyo siyaasadda.

MTCS’s SEAC waxay bixin kartaa talooyin ku saabsan horumarinta barnaamijyada iyo adeegyada si loo daboolo baahiyaha waxbarasho ee khaaska ah ee carruurta iyo qoysaska. Iyagoo la wadaagaya aragtidooda gaarka ah ee ay u egtahay adeegsiga adeegyadan, waalidiintu waxay ka caawin karaan degmada in ay ahaato mid tayo badan. Natiijo ahaan, natiijooyinka carruurta naafada ah waa inay hagaajiyaan.
