Upon receipt of a request or petition complying with (i) above, the Board shall schedule and publicize a special board meeting, to be held within thirty (30) days of receipt of such request or petition, for the sole purpose of receiving community comment regarding the governance structure. When publicizing the special board meeting, the Board shall also invite the school community to submit written comments to the Board prior to the special board meeting.
 - (iii) Board Meeting. The Board shall place on the agenda of its regular meeting following the special board meeting consideration of changing the governance structure. Placing the item on the agenda does not require any board member to introduce a motion or second a motion for such consideration.
 - (iv) Effective Date of Change in Governance Structure. Any change in the governance structure complying with this Section 3 is not effective for the duration of the current charter contract period and will be effective for the subsequent charter contract period and begin on the same date as the effective date of the charter contract next executed between the school and its authorizer.

At each annual meeting, elections shall be held to fill any vacancies or expiring terms of Directors on the Board. Directors shall be elected as designated by Minnesota State Law covering charter schools. Directors will be elected to staggered terms of three (3) years in length. A new Director's term will begin at the end of the annual meeting.

Section 6. Resignation and Removal

Directors may resign at any time, effective immediately or at a specific later date, by giving written or electronic notice to the Board Chair or Secretary. Unless otherwise specified therein, the Board is not required to accept a resignation in order for it to become effective. A Director may be removed at any time by a majority vote of all Directors based upon evidence of a violation of a Director's duties.

Section 7. Filling Vacancies

If a seat on the Board becomes vacant before the Director who held the seat completes his or her term on the Board, the vacancy may be filled by the affirmative vote of a majority of the Directors on the Board, provided that the vote occurs at a properly noticed meeting of the Board. If the Board authorizes a committee to have decision-making authority or the committee consists of a quorum or more of Directors, the meetings of that committee must be posted and held in accordance with the Open Meeting Law. A committee that has decision-making authority may exercise that authority only through the affirmative vote of a majority of the total members of the committee.
- (b) Procedures for Conducting Committee Meetings. The activities of all committees of the Corporation must be conducted in a manner that will advance the best interest of the Corporation. Each committee must fix its own rules of procedure and must act in a manner that is consistent with the Articles of Incorporation, these Bylaws, and the policies of the Corporation. A majority of the members of the Executive Committee shall be necessary to constitute a quorum and in every case an affirmative vote of a majority of the members of the committee present at a meeting shall be necessary for the taking of any action. The Executive Committee shall fix and establish its own rules of procedure and shall meet as provided by such rules and shall also meet at the call of its Chair or of any other two (2) members of the committee. The Executive Committee's meetings shall be subject to the Open Meeting Law.

Section 9. Regular Meetings

The Board of Directors shall meet at least monthly. The purpose of such meetings will be to review the progress of the Corporation, set strategic plans, vote on contracts, and carry out any other business required to maintain the Corporation. Regular meetings shall be set by the Board of Directors or by the call of the Board Chair with written notice of at least three (3) calendar days. Section 11. Compensation

Directors shall not receive compensation for their services as a board member, but nothing in these Bylaws shall be construed to preclude any Director from serving the Corporation as an employee and receiving compensation therefore. In addition, the Directors of this Corporation may be reimbursed for reasonable out-of-pocket expenses incurred by them in rendering services to this Corporation, as the Board of Directors from time to time determines such services to be directly in furtherance of the purposes and in the best interest of the Corporation. Additionally, Directors may receive de minimis benefits, including but not limited to receiving food or drink during meetings.

Every Director shall attend annual training throughout the Director's term on the Board, in accordance with Minnesota Statutes Section 124E.07, subdivision 7. A new Director who does not begin the required initial
