A Note from Our Principal

Dear MTS Elementary Families and Students,

Welcome to the 2019-2020 school year! We have a great school year ahead of us. This calendar/handbook has been created for you to have a deeper understanding of MTS Elementary, and answer many of your questions.

The calendar is here for your convenience, so that you can plan and prepare for upcoming events during the school year. As you will see, some dates are already included, but there will be many more that will be added as we move through the school year.

New this year, will be four informational sessions. Lunch will be provided at two of the sessions and dinner will be provided at the other two sessions. These sessions are intended for open dialogue around education, child development and what’s happening at our school. The agendas for these meetings will be open to whatever topics are on the minds of the attendees. I hope everyone will be able to attend at least once during the school year.

Here at MTS Elementary, we welcome and value your input into your child’s education. Our work is a shared responsibility that is built upon academic outcomes through healthy relationships and trust. We look forward to getting to know you and your child/children.

If there is anything that we can do for you or your family, please do not hesitate to stop in and see us, connect with a phone call or send an email. We have an open door policy, which means, “All Are Welcome!”

Here’s to a successful 2019-2020 school year!

Sincerely,

Suzette L. Dornfeld

A Note from Our Superintendent

Dear Families and Students,

It is always exciting when a new school year begins, and all of us have the opportunity for a fresh start. We welcome new students, staff, programs and renewed energy toward making school a positive place, where success is both encouraged and supported. We will do everything we can to make our school community of 9 programs across 7 sites the very best it can be for all in our MTCS community.

There are many ways to get information about Minnesota Transitions Charter School (MTCS) and your selected program. This handbook provides a guide for navigating school culture. It tells all of us what we can and cannot do, how we get some things done and where we get more information. Students and parents/guardians are encouraged to use this handbook as a guide.

You may also find what you need on our website (mtcs.org), by following us on social media, directly contacting or visiting your program, or by calling the MTCS office at (612)-722-9013. Please don’t hesitate to ask for help. Our students and families are our number one priority.

Achievement
School is your child's work! Your child is here to learn to achieve all the success that he/she possibly can. If you help your child to follow these directions, you will greatly improve his/her chance to be academically successful!

As a student at MTS Elementary, you should:
- Arrive on time for the bus, school, and classes
- Engage in learning
- Come prepared for class
- Ask for help if something is not understood
- Become an active participant in classroom discussions and activities
- Focus and complete all assigned tasks
- Be willing to try new tasks even when they may be challenging
- Be responsible for school books, materials and technology
- When a mistake is made, do not give up...learn from it because it is through mistakes that learning takes place
- Be responsible for following the rules and knowing the expectations of our school
- Stay healthy, get enough sleep and eat well
- Share with your family and friends what you learned at school
- Have fun!

Address, Email and Phone Changes
Parents are requested to inform the office of any student address, phone or email changes. The office will route this information to all persons’ who work with that student. This includes the health office staff, teachers, attendance, social worker and transportation.

Attendance
MTCS recognizes that daily attendance is critical to academic achievement. It is our goal to work with students, families, and communities to support regular school attendance and improve academic achievement. Please call us for further assistance or questions about the attendance policy.

For EVERY absence, please:
Call the main office at 612-729-9140 (you may leave a message). Please make sure to call no later than 8:00 am the day of the absence, even if you have talked and/or emailed the teacher. Send a note with the reason for the absence.
It’s the law! Minnesota law states that all students are required to attend school from age 7, or when they enter kindergarten (whichever comes first) until they are 18 years old. A student’s failure to attend school may lead to legal action for the parents/guardians and the student.

**Tardiness**

It is vital that students arrive to school on time. Some of the most important information and community building take place the first 20 minutes of class. At 7:45 am, instruction in core curriculum and specialists classes begins. Students need to be present every day for this valuable time. If this is an ongoing concern, the school social worker will be reaching out to provide support to your family. Again, it is vital that your child/children arrive to school on time. Thank you for your help with this!

**What are Excused Absences?**

- **Doctor/Dentist Appointments** – Whenever possible, please schedule doctor and dentist appointments before and after school. If you must schedule an appointment during school, the appointment will be considered excused.
- **Illness** – Students are allowed up to 8 total absences a year, or 3 days in a row, due to illness. A doctor’s note must be provided if your child is gone from school more than 8 total days over the school year, or 3 days in a row. Because your child’s health is important to us, school staff can help your child if you do not have health insurance or cannot afford to see a doctor. Please contact the school if you need help.
- **School Bus Problems** – If your child misses school because the bus was late or did not show up at the bus stop, you must report this to the school that morning.
- **Religious Holidays/Cultural Observances** – If your child will be gone due to a religious holiday or cultural observance, you must notify the school.
- **Funeral** – Students may be gone up to 4 days a year because of a funeral. If your child will be gone more than 4 days, you must get written approval for additional excused time from the Principal.
- **Family Emergency** – Students may be gone up to 3 days a year because of a family emergency. If your child will be gone more than 3 days, you must get written approval from the Principal.
- **Family Activity** – A student may be gone up to 5 days from school for a pre-approved family activity such as a vacation.
- **All days of vacation after 5 days will be considered unexcused.**

**Building: Keep It Clean**

MTS Elementary is YOUR school. Please help to ensure that it stays clean and organized. You can do this by keeping your cubby and/or locker clean, keeping your desk and work area neat and throwing your trash into the garbage. If you see any graffiti or damage to the building, tell an adult.
Bus Policy

Safety Rules

Stay out of the “Danger Zones” outside the bus
Follow the driver’s instructions
Be on time
Always SIT DOWN
Be respectful, no fighting, swearing or yelling
No EATING or DRINKING on the bus
Keep your bus clean – Do not damage the bus
Keep your head and arms inside the bus windows

Windows may not be open over half way

The bus is an extension of the school day. Bus consequences may be superseded by the MTCS policy. The bus driver has the authority to assign seats. The MTCS sexual/racial/religious harassment policy and weapons policy will be strictly enforced on the bus as well as at school.

All students will participate in Bus Safety instruction during the first weeks of school.

New this school year Student Bus Patrol. Student leaders will be trained and supported to assist students in following all bus safety rules.

We thank you for your continued support to ensure all of our students have a safe ride to and from school. We look forward to partnering with you during the 2019-2020 school year.

Cell Phones/Electronic Devices

Elementary school children ARE NOT allowed to possess or use a personal electronic device (cell phone, iPad, mini iPad, tablet, mp3 player, etc.) at school, on the school bus or on field trips UNLESS the parent/guardian and school have agreed to a plan.** Please understand that LOST OR STOLEN DEVICES WILL NOT BE REPLACED by Minnesota Transitions Charter School.

Please note the following response to students who bring in cell phones or electronics:

1st Offense: Teacher/Staff speaks with student, device turned into staff with a phone call/email to parent as a gentle reminder of the policy. Device returned to student at the end of the day.

2nd Offense: Device turned into staff. Administration team speaks with student, phone call made to the parent to problem solve a solution. Electronic device remains at school until school and family communicate to make a plan.

3rd Offense: Device turned into staff. Administration speaks with student. Device remains at school until a parent comes to pick the device up.
** Students who require a specific plan for after school safety MUST have a formal conference which includes, parent/guardian, student and social worker.

**Clothing: Hooded Sweatshirts (Hoodies)**
Students may wear hodded sweatshirts to school; however, students must keep the hood down during the school day. If this becomes a power struggle, administration has the right to request that the child no longer wears a hooded sweatshirt/hoodie to school. The family will be notified, should this become a problem.

**Communication**

Remind
Remind is the official messaging platform for MTS Elementary. Remind is a messaging system that allows the sending of messages via SMS, in app notifications, or email and phone calls to members of MTS Elementary, without revealing personal contact information. As our school and district wide messaging system, Remind will be used to send a variety of important communications throughout the school year.

Notes
School staff may communicate with parents/guardians through written notes. Please ask your child daily if there are any messages from school. Please notify your child’s classroom teacher if you prefer to receive information in an alternative format.

**Weekly Folders | Kindergarten-6th Grade**
Students will be provided with a folder that will travel with them on a daily basis. The folder will be an opportunity to stay connected to your child’s day at school. Items that may be included in the folder are student work, notes from the teacher, permission slips, progress reports, school/classroom newsletters or other flyers.

Newsletters
Look for regular communication from your child’s teacher. Newsletters, progress reports and notices are sent home in folders and planners. School newsletters will go home with students the first Friday of each month.

**Student Progress: Conferences, Report Cards**
In addition to receiving daily and weekly work, you have opportunities to learn of your child’s progress through the form of school conferences and student report cards.

Conferences
Twice a year, you will have the opportunity to meet with your child’s teacher during school conferences. Please check the calendar for these dates. You are encouraged
to request a conference at any other time you feel there is need. You may e-mail, leave a voicemail or send a note for your child’s teacher to schedule this additional time. The teacher will set the conference at a mutually convenient time.

Report Cards
Report cards will be completed and sent home four times this school year. If you have questions regarding your child’s report card, please contact your child’s teacher.

Food Service: Breakfast and Lunch Program
Breakfast and lunch will be provided to MTS Elementary through CKC Foods. Their philosophy goes hand in hand with our commitment to provide the best learning environment for our students.
At MTS Elementary, your children can expect the following:
Meals prepared using no pork products, with no pork onsite and at a separate time from other programs. Menu selections include one hot entree per day and one hot breakfast item per week.

Health Care
Immunizations: Minnesota laws require proof of immunizations for all school children. Families are asked to provide immunization records upon school registration. If you have questions regarding immunization requirements, contact your health care provider or school health office staff.

Medications
According to the Minnesota Transitions Schools policy, medication will only be administered at school with written consent from the health care provider and parent/guardian. Updated medication consent needs to be provided every school year. Medication must be sent to school in the original prescription (or over the counter) bottle/container indicating the student’s name and correct instructions for
medication administration. In order to be least disruptive to student’s time in the classroom, families are encouraged to space medication doses outside of the school day whenever possible. Medication consent forms are available from the health office.

Asthma Medications
Students with asthma are encouraged to keep asthma reliever medication at school so that it is available if asthma concerns arise and/or if asthma medication is required prior to exercise. (The above noted medication policy applies to asthma medication as well.) There is a nebulizer machine available in the health office. Students requiring nebulized medication need to provide asthma medication and a set of nebulizer tubing. If your health provider has given you an “Asthma Action Plan”, please send a copy of this to school. Asthma Action Plans that are less than a year old and signed by the health care provider and parent are considered written consent for administering asthma medication at school.

Homework
The purpose for homework is to provide extra practice that students can use at home. Please make sure to take the time and ask your child about what work can be done at home. Teachers will communicate how homework will be delivered throughout the week. Please contact your child’s teacher with any questions regarding homework.

Illegal/Unsafe Items
Students may not bring to school items that are against the law for minors to have, such as alcohol and tobacco. Students may not bring to school items that are against the law for people of any age to have, such as illegal drugs, controlled substances, or mood-altering substances. Do not bring items that contain unsafe inhalants, lighters or matches. Weapons and look-alike weapons are not allowed at school or on the bus.

Parent Involvement
At MTS Elementary we want all parents, family and community members to be involved in their children’s education. Here are 3 quick ways to stay involved:

- Open Communication: Phone Calls, Visits, or sending Notes/Emails to the teacher
- Attend school activities and Principal lunches and dinners
- Volunteer either in the classroom or with the school at large
- Folders/Planners: Be sure to look through your child’s folder and/or planner to find out what is happening at school. Ask your child to tell you more about the work they did or upcoming event

Section 504 Process for Students
Some students with disabilities may not qualify for special education services. These students may qualify for accommodations and supports under Section 504 or the Rehabilitation Act of 1973. Section 504 is a civil rights law that prohibits discrimination against persons with disabilities
in any agencies receiving federal dollars. The law defines a person with a disabling condition as anyone who:

- Has a physical or mental impairment that substantially limits one or more major life activities;
- Has a record of such an impairment; or is regarded as having such an impairment. If a student has a physical or mental impairment that may be impacting him/her in the educational setting, parents/guardians should contact the building administrator regarding their concerns.

**Special Education Services for Students**

Minnesota Transitions Charter School conducts child find, evaluates and serves students with disabilities. MTCS staff use a comprehensive child study process to evaluate students to determine eligibility for special education services from ages 5-21. An Individual Education Plan (IEP) Team meets following evaluation for qualifying students to determine the goals and objectives necessary to meet the student’s needs.

Students requiring special education will receive specialized instruction from a special education teacher and/or related service providers as the IEP Team determines appropriate. Students are entitled to a free appropriate public education in the least restrictive environment. If parents/guardians have concerns that their student is experiencing learning difficulties or behavioral issues at school, they should contact their child’s teacher or building administrator to discuss concerns. You may request a copy of the Notice of Procedural Safeguards from your building administrator, special education teacher or download it from the MTCS website: mtcs.org.

**Special Events**

**Open House** (August 29)
Prior to school beginning, we host an open house for your child and family to explore the school, meet staff and see your classroom.

**MTS Elementary Family Picnic** (May 28)
Come join our school community as we conclude the school year with a fun family picnic. Games, music, and food will all be a part of this fun family activity.

**6th Grade Celebration** (June 4)
Help us celebrate the journey of elementary school with our sixth grade students.

**Family Title 1 Nights - 3 during the school year**
Family Title 1 Night is our way to celebrate family literacy and support young readers.
Field Day (May 19)
Each May, we come together for Field Day. This is a fun day where students showcase their track and field and teamwork skills. Each child receives a Certificate of Participation. Watch for details to see how you can become involved.

Field Trips
Field trips are an extension of your child’s learning experience. At the beginning of the year, your child will come with an open-ended walking field trip permission slip. However, you will be notified whenever your child’s class will be going on any field trip (walking or bus). For field trips that require a bus, a permission slip will be sent home prior to the field trip. Your child will not be allowed to participate in a field trip without your permission. Students who are unable to manage their behavior at school may not be permitted to go on field trips. If there is a concern with your child, you will be notified to help problem solve.

Weather Information
Severe weather conditions can sometimes close school because of extreme heat, cold, snow or ice. In the event of a school closing, announcements will be made before 7 am on local radio and television stations and on the school website. Please listen to one of the following:

WCCO AM 830 • KSTP TV CHANNEL 5 • KBEM FM 88.5 • KMSP TV CHANNEL 9
WCCO TV CHANNEL 4 • KARE TV CHANNEL 11

If weather is severe, but not impassable, we ask that you use your own judgment about sending your child to school. Age of the child and special health concerns should be considered. If the weather conditions outside become treacherous busses may run late. Please make sure your child is dressed with appropriate outside attire. If you need support in accessing winter weather items for your child/children, please contact the school social worker.

Visitors
We encourage and welcome parents/guardians to visit classes throughout the school year. A note or phone call to your child’s teacher in advance is always appreciated. If you call your child’s teacher, he/she will be able to inform you of specific times to avoid, such as during testing, field trips and special programs. Please check in at the main office for a visitor badge. All are required to sign in and out at the main office and get a visitor’s badge.

English Language Learner Program

English Language Learner (ELL) Services Goal:
The goal of the English Learner program at MTS is to assist students in achieving Academic English Language proficiency in order to be successful learners in the classroom.
**Elementary K-6 EL Services**

Elementary EL students receive language instruction at their elementary schools from a licensed EL teacher. Students receive services based on their language level, which is provided from the W-APT or the ACCESS for ELs 2.0 assessment. Students may receive instruction through a combination of services, such as a co-teaching model, pull-out setting for small group instruction or individual language instruction. The time provided for each student depends on the needs of the student and the type of services provided. The service time typically ranges from 30 minutes to an hour of EL instruction. EL teachers focus on developing academic language proficiency in listening, speaking, reading and writing. The instruction is aligned to the state English Language Arts standards and the WIDA English Language Development Standards. EL teachers communicate regularly with mainstream classroom teachers regarding student progress.

**Exiting the EL Program**

When a student has met the EL Exit Criteria, the student will be reclassified and will no longer receive EL services. Parents will be notified of this reclassification. Students will continue their education in the regular mainstream classrooms. Please see the document MTCS Entrance and Exit Criteria to see the criteria used to determine when a student is ready to be exited from the program.

**I Am RESPECTFUL • I Am RESPONSIBLE • I Am SAFE**

MTS Elementary strives to solve problems in a peaceful, nonviolent way. We develop a student’s ability to utilize critical problem solving skills. When developmentally appropriate conflict occurs, we model, teach and reinforce solutions that prepare our students with various tools to solve conflict with peace. Our belief is that these skills will transcend between home, school and community as they grow older; therefore, here at MTS Elementary, we expect students to use peaceful ways to solve problems.

**Overview of Student Policies and Procedures**

Here are some important policies that you and your child should review. We expect that all MTCS students will do their best to follow these policies and expectations. Our goal is to provide opportunities for the Banaadir/Leadership Academy community to gain the technological skills necessary to have access to people and information beyond our campus and to further use this knowledge to design, create, and display student work outside the boundaries of the classroom.

**MTCS Computer and Audiovisual Facilities**
Computer facilities for students and staff are located in the library, computer labs, classrooms and offices. These facilities exist to enhance the educational programs we offer. With the availability of desktop and publishing facilities in the computer labs, we also have the opportunity to produce and publish student work through electronic and audiovisual media.

**The Internet and Telecommunications**
The smooth operation of the network relies upon the proper conduct of the end users who must adhere to strict guidelines. These guidelines are provided here so that you may become aware of the responsibilities you are about to acquire. A person may report conduct which may constitute harassment or violence anonymously. However, MTCS may not rely solely on an anonymous report to determine discipline or other remedial responses.

B. MTCS encourages the reporting party or complainant to use the report form available from the principal/director or building supervisor of each building or available from the MTCS office, but oral reports shall be considered complaints as well.

C. Nothing in this policy shall prevent any person from reporting harassment or violence directly to a MTCS human rights officer or to the Superintendent. If the complaint involves the building report taker, the complaint shall be made or filed directly with the Superintendent or the MTCS human rights officer by the reporting party or complainant.

D. In Each School Building. Consequences for other individuals engaging in prohibited acts of violence or harassment may include, but not be limited to, exclusion from MTCS property and events and/or termination of services and/or contracts.

V. INVESTIGATION

A. By authority of MTCS, the human rights officer, within three (3) days of the receipt of a report or complaint alleging harassment or violence prohibited by this policy, shall undertake or authorize an investigation. The investigation may be conducted by MTCS officials or by a third party designated by MTCS.

B. The investigation may consist of personal interviews with the complainant, the individual(s) against whom the complaint is filed, and others who may have knowledge of the alleged incident(s) or circumstances giving rise to the complaint. The investigation may also consist of any other methods and documents deemed pertinent by the investigator.

C. In determining whether alleged conduct constitutes a violation of this policy, MTCS should consider the surrounding circumstances, the nature of the behavior, past incidents or past or continuing patterns of behavior, the relationships between the parties involved, and the context in which the alleged incidents occurred. Whether a particular action or incident constitutes a violation of this policy requires a determination based on all the facts and surrounding circumstances.
D. In addition, MTCS may take immediate steps, at its discretion, to protect the target or victim, the complainant, and students, teachers, administrators, or other MTCS personnel pending completion of an investigation of alleged harassment or violence prohibited by this policy.

E. The alleged perpetrator of the act(s) of harassment or violence shall be allowed the opportunity to present a defense during the investigation or prior to the imposition of discipline or other remedial responses.

F. The investigation will be completed as soon as practicable. The MTCS human rights officer shall make a written report to the Superintendent upon completion of the investigation. If the complaint involves the Superintendent, the report may be filed directly with the MTCS Board. The report shall include a determination of whether the allegations have been substantiated as factual and whether they appear to be violations of this policy.

VI. MTCS ACTION

A. Upon completion of an investigation that determines a violation of this policy has occurred, MTCS will take appropriate action. Such action may include, but is not limited to, warning, suspension, exclusion, expulsion, transfer, remediation, termination, or discharge. Disciplinary consequences will be sufficiently severe to try to deter violations and to appropriately discipline prohibited behavior. MTCS action taken for violation of this policy will be consistent with requirements of applicable collective bargaining agreements, Minnesota and federal law, and applicable MTCS policies and regulations.

B. MTCS is not authorized to disclose to a victim private educational or personnel data regarding an alleged perpetrator who is a student or employee of MTCS. School officials will notify the parent(s) or guardian(s) of targets or victims of harassment or violence and the parent(s) or guardian(s) of alleged perpetrators of harassment or violence who have been involved in a reported and confirmed harassment or violence incident of the remedial or disciplinary action taken, to the extent permitted by law.

C. In order to prevent or respond to acts of harassment or violence committed by or directed against a child with a disability, MTCS shall, where determined appropriate by the child's individualized education program (IEP) or Section 504 team, allow the child's IEP or Section 504 plan to be drafted to address the skills and proficiencies the child needs as a result of the child's disability to allow the child to respond to or not to engage in acts of harassment or violence.

VII. RETALIATION OR REPRISAL

MTCS will discipline or take appropriate action against any student, teacher, administrator, or other MTCS personnel who commits an act of reprisal or who retaliates against any person who asserts, alleges, or makes a good faith report of alleged harassment or violence prohibited by this policy, who testifies, assists, or participates in an investigation of retaliation or alleged harassment or violence, or who testifies, assists, or participates in a proceeding or hearing relating to such harassment or violence. Retaliation includes, but is not limited to, any form of intimidation, reprisal, harassment, or intentional disparate treatment. Disciplinary consequences will be sufficiently severe to deter violations and to appropriately discipline the individual(s) who engaged in the harassment or violence. Remedial
responses to the harassment or violence shall be tailored to the particular incident and nature of the conduct.

VIII. RIGHT TO ALTERNATIVE COMPLAINT PROCEDURES
These procedures do not deny the right of any individual to pursue other avenues of recourse which may include filing charges with the Minnesota Department of Human Rights, initiating civil action, or seeking redress under state criminal statutes and/or federal law.

IX. HARASSMENT OR VIOLENCE AS ABUSE
A. Under certain circumstances, alleged harassment or violence may also be possible abuse under Minnesota law. If so, the duties of mandatory reporting under Minn. Stat. § 626.556 may be applicable.
B. Nothing in this policy will prohibit MTCS from taking immediate action to protect victims of alleged harassment, violence, or abuse.

X. DISSEMINATION OF POLICY AND TRAINING

B. This policy shall be given to each MTCS employee and independent contractor who regularly interacts with students at the time of initial employment with MTCS.
C. This policy shall appear in the student handbook.
D. MTCS will develop a method of discussing this policy with students and employees.

Such programs may offer instruction on character education including, but not limited to, character qualities such as attentiveness, truthfulness, respect for authority, diligence, gratefulness, self-discipline, patience, forgiveness, respect for others, peacemaking, and resourcefulness.
F. This policy shall be reviewed at least annually for compliance with state and federal law.

Policy 514 (Bullying) [Minn. Stat. § 121A.031]:
I. PURPOSE
A safe and civil environment is needed for students to learn and attain high academic standards and to promote healthy human relationships. Bullying, like other violent or disruptive behavior, is conduct that interferes with a student’s ability to learn and/or a teacher’s ability to educate students in a safe environment. Minnesota Transitions Charter School (MTCS) cannot monitor the activities of students at all times and eliminate all incidents of bullying between students, particularly when students are not under the direct supervision of school personnel. However, to the extent such conduct affects the educational environment of MTCS and the rights and welfare of its students and is within the control of MTCS in its normal operations, MTCS intends to prevent bullying and to take action to investigate, respond to, and to remediate and discipline for those acts of bullying which have not been successfully prevented. The purpose of this policy is to assist MTCS in its goal of preventing and responding to acts of bullying, intimidation, violence, reprisal, retaliation, and other similar disruptive and detrimental behavior.
II. GENERAL STATEMENT OF POLICY

A. An act of bullying, by either an individual student or a group of students, is expressly prohibited on school premises, on MTCS property, at school functions or activities, or on school transportation. This policy also applies to any student whose conduct at any time or in any place constitutes bullying or other prohibited conduct that interferes with or obstructs the mission or operations of MTCS or the safety or welfare of the student or other students, or materially and substantially interferes with a student’s educational opportunities or performance or ability to participate in school functions or activities or receive school benefits, services, or privileges. This policy also applies to an act of cyberbullying regardless of whether such act is committed on or off MTCS property and/or with or without the use of MTCS resources.

B. No teacher, administrator, volunteer, contractor, or other employee of MTCS shall permit, condone, or tolerate bullying.

C. Apparent permission or consent by a student being bullied does not lessen or negate the prohibitions contained in this policy.

D. Retaliation against a victim, good faith reporter, or a witness of bullying is prohibited.

E. False accusations or reports of bullying against another student are prohibited.

F. A student who engages in an act of bullying, reprisal, retaliation, or knowingly making a false report of bullying shall be subject to discipline or other remedial responses for that act in accordance with MTCS’s policies and procedures, including MTCS’s discipline policy. A teacher, administrator, volunteer, contractor, or other employee of MTCS who permits, condones, or tolerates bullying or engages in an act of reprisal, retaliation, or knowingly making a false report of bullying shall be subject to disciplinary action. MTCS may take into account the following factors:

1. The developmental ages and maturity levels of the parties involved;
2. The levels of harm, surrounding circumstances, and nature of the behavior;
3. Past incidences or past or continuing patterns of behavior;
4. The relationship between the parties involved; and
5. The context in which the alleged incidents occurred.

Consequences for students who commit acts of bullying or other prohibited conduct may range from remedial responses or positive behavioral interventions up to and including suspension and/or expulsion. MTCS shall employ research-based developmentally appropriate best practices that include preventative and remedial measures and effective discipline for deterring violations of this policy, apply throughout MTCS, and foster student, parent, and community participation.

Consequences for employees who permit, condone, or tolerate bullying or engage in an act of reprisal or intentional false reporting of bullying may result in disciplinary action up to and including termination or discharge.

Consequences for other individuals engaging in prohibited acts of bullying may include, but not be limited to, exclusion from MTCS property and events.
G. MTCS will act to investigate all complaints of bullying reported to MTCS and will discipline or take appropriate action against any student, teacher, administrator, volunteer, contractor, or other employee of MTCS who is found to have violated this policy.

III. DEFINITIONS

For purposes of this policy, the definitions included in this section apply.

A. “Bullying” means intimidating, threatening, abusive, or harming conduct that is objectively offensive and:
   1. an actual or perceived imbalance of power exists between the student engaging in the prohibited conduct and the target of the prohibited conduct, and the conduct is repeated or forms a pattern; or
   2. materially and substantially interferes with a student’s educational opportunities or performance or ability to participate in school functions or activities or receive school benefits, services, or privileges.

The term, “bullying,” specifically includes cyberbullying as defined in this policy.

B. “Cyberbullying” means bullying using technology or other electronic communication, including, but not limited to, a transfer of a sign, signal, writing, image, sound, or data, including a post on a social network Internet website or forum, transmitted through a computer, cell phone, or other electronic device. C. “Immediately” means as soon as possible but in no event longer than one school day.

D. “Intimidating, threatening, abusive, or harming conduct” means, but is not limited to, conduct that does the following:

However, prohibited conduct need not be based on any particular characteristic defined in this paragraph or the MHRA.

E. “On school premises, on MTCS property, at school functions or activities, or on school transportation” means all MTCS buildings, school grounds, and school property or property immediately adjacent to school grounds, school bus stops, school buses, school vehicles, school contracted vehicles, or any other vehicles approved for MTCS purposes, the area of entrance or departure from school grounds, premises, or events, and all school-related functions, school-sponsored activities, events, or trips. MTCS property also may mean a student’s walking route to or from school for purposes of attending school or school-

G. “Remedial response” means a measure to stop and correct prohibited conduct, prevent prohibited conduct from recurring, and protect, support, and intervene on behalf of a student who is the target or victim of prohibited conduct.

IV. REPORTING PROCEDURE

A. Any student who believes he or she has been the target or victim of bullying should report the alleged acts immediately to an appropriate MTCS official designated by this policy. A person may report bullying anonymously. However, MTCS may not rely solely on an anonymous report to determine discipline or other remedial responses. Any teacher, administrator, volunteer, contractor, or other employee of MTCS with knowledge or belief of conduct that may constitute bullying or prohibited conduct under this policy shall report the alleged acts immediately to an appropriate MTCS official.

B. MTCS encourages the reporting party or complainant to use the report form available from the principal or building supervisor of each building or available in the MTCS office, but oral reports shall be considered complaints as well.

C. The building principal, the principal’s designee, or the building supervisor (hereinafter the “building report taker”) is the person responsible for receiving reports of bullying or other prohibited conduct at the building level. Any person may report bullying or other prohibited conduct directly to a MTCS human rights officer or the Superintendent. If the complaint involves the building report taker, the complaint shall be made or filed directly with the Superintendent or the MTCS human rights officer by the reporting party or complainant. The building report taker shall ensure that this policy and its procedures, practices, consequences, and sanctions are fairly and fully implemented and shall serve as the primary contact on policy and procedural matters. The building report taker or a third party designated by MTCS shall be responsible for the investigation. The building report taker shall provide information about available community resources to the target or victim of the bullying or other prohibited conduct, the perpetrator, and other affected individuals as appropriate.

D. A teacher, school administrator, volunteer, contractor, or other school employee shall be particularly alert to possible situations, circumstances, or events that might include bullying. Any such person who witnesses, observes, receives a report of, or has other knowledge or belief of conduct that may constitute bullying or other prohibited conduct shall make reasonable efforts to address and resolve the bullying or prohibited conduct and shall inform the building report taker immediately. MTCS personnel who fail to inform the building report taker of conduct that may constitute bullying or other prohibited conduct or who fail to make reasonable efforts to address and resolve the bullying or prohibited conduct in a timely manner may be subject to disciplinary action.
E. Reports of bullying or other prohibited conduct are classified as private educational and/or personnel data and/or confidential investigatory data and will not be disclosed except as permitted by law. The building report taker, in conjunction with the responsible authority, shall be responsible for keeping and regulating access to any report of bullying and the record of any resulting investigation.
F. Submission of a good faith complaint or report of bullying or other prohibited conduct will not affect the complainant’s or reporter’s future employment, grades, work assignments, or educational or work environment.
G. MTCS will respect the privacy of the complainant(s), the individual(s) against whom the complaint is filed, and the witnesses as much as possible, consistent with MTCS’ obligation to investigate, take appropriate action, and comply with any legal disclosure obligations.

V. MTCS ACTION
A. Within three school days of the receipt of a complaint or report of bullying or other prohibited conduct, MTCS shall undertake or authorize an investigation by the building report taker or a third party designated by MTCS.
B. The building report taker or other appropriate MTCS officials may take immediate steps, at their discretion, to protect the target or victim of the bullying or other prohibited conduct, the complainant, the reporter, and students or others, pending completion of an investigation of the bullying or other prohibited conduct, consistent with applicable law.
C. The alleged perpetrator of the bullying or other prohibited conduct shall be allowed the opportunity to present a defense during the investigation or prior to the imposition of discipline or other remedial responses.
D. Upon completion of an investigation that determines that bullying or other prohibited conduct has occurred, MTCS will take appropriate action. Such action may include, but is not limited to, warning, suspension, exclusion, expulsion, transfer, remediation, termination, or discharge. Disciplinary consequences will be sufficiently severe to try to deter violations and to appropriately discipline prohibited conduct. Remedial responses to the bullying or other prohibited conduct shall be tailored to the particular incident and nature of the conduct and shall take into account the factors specified in Section II.F. of this policy. MTCS action taken for violation of this policy will be consistent with the requirements of applicable statutory authority, including the Minnesota Pupil Fair Dismissal Act; the student discipline policy and other applicable MTCS policies; and applicable regulations.
E. MTCS is not authorized to disclose to a victim private educational or personnel data regarding an alleged perpetrator who is a student or employee of MTCS. School officials will notify the parent(s) or guardian(s) of students who are targets of bullying or other prohibited conduct and the parent(s) or guardian(s) of alleged perpetrators of bullying or other prohibited conduct who have been involved in a reported and confirmed bullying incident of the remedial or disciplinary action taken, to the extent permitted by law.
F. In order to prevent or respond to bullying or other prohibited conduct committed by or directed against a child with a disability, MTCS shall, when determined appropriate by the child's individualized education program (IEP) team or Section 504 team, allow the child’s IEP or Section 504 plan to be
drafted to address the skills and proficiencies the child needs as a result of the child’s disability to allow the child to respond to or not to engage in bullying or other prohibited conduct.

VI. RETALIATION OR REPRISAL
MTCS will discipline or take appropriate action against any student, teacher, administrator, volunteer, contractor, or other employee of MTCS who commits an act of reprisal or who retaliates against any person who asserts, alleges, or makes a good faith report of alleged bullying or prohibited conduct, who provides information about bullying or prohibited conduct, who testifies, assists, or participates in an investigation of alleged bullying or prohibited conduct, or who testifies, assists, or participates in a proceeding or hearing relating to such bullying or prohibited conduct. Retaliation includes, but is not limited to, any form of intimidation, reprisal, harassment, or intentional disparate treatment. Disciplinary consequences will be sufficiently severe to deter violations and to appropriately discipline the individual(s) who engaged in the prohibited conduct. Remedial responses to the prohibited conduct shall be tailored to the particular incident and nature of the conduct and shall take into account the factors specified in Section II.F. of this policy.

VII. TRAINING AND EDUCATION
A. MTCS shall discuss this policy with school personnel and volunteers and provide appropriate training to MTCS personnel regarding this policy. MTCS shall establish a training cycle for school personnel to occur during a period not to exceed every three school years. Newly employed school personnel must receive the training within the first year of their employment with MTCS. MTCS or a school administrator may accelerate the training cycle or provide additional training based on a particular need or circumstance. This policy shall be included in employee handbooks, training materials, and publications on school rules, procedures, and standards of conduct, which materials shall also be used to publicize this policy.

B. MTCS shall require ongoing professional development, consistent with Minn. Stat. § 122A.60, to build the skills of all school personnel who regularly interact with students to identify, prevent, and appropriately address bullying and other prohibited conduct. Such professional development includes, but is not limited to, the following:
   1. Developmentally appropriate strategies both to prevent and to immediately and effectively intervene to stop prohibited conduct;
   2. The complex dynamics affecting a perpetrator, target, and witnesses to prohibited conduct;
   3. Research on prohibited conduct, including specific categories of students at risk for perpetrating or being the target or victim of bullying or other prohibited conduct in school;
   4. The incidence and nature of cyberbullying; and
   5. Internet safety and cyberbullying.

C. MTCS annually will provide education and information to students regarding bullying, including information regarding this MTCS policy prohibiting bullying, the harmful effects of bullying, and other applicable initiatives to prevent bullying and other prohibited conduct.
D. The administration of MTCS is directed to implement programs and other initiatives to prevent bullying, to respond to bullying in a manner that does not stigmatize the target or victim, and to make resources or referrals to resources available to targets or victims of bullying.

E. The administration is encouraged to provide developmentally appropriate instruction and is directed to review programmatic instruction to determine if adjustments are necessary to help students identify and prevent or reduce bullying and other prohibited conduct, to value diversity in school and society, to develop and improve students’ knowledge and skills for solving problems, managing conflict, engaging in civil discourse, and recognizing, responding to, and reporting bullying or other prohibited conduct, and to make effective prevention and intervention programs available to students. The administration must establish strategies for creating a positive school climate and use evidence-based social-emotional learning to prevent and reduce discrimination and other improper conduct.

F. Affected students and their parents may have rights under state and federal data practices laws to obtain access to data related to an incident and to contest the accuracy or completeness of the data.

VIII. NOTICE

A. MTCS will give annual notice of this policy to students, parents or guardians, and staff, and this policy shall appear in the student handbook.

Consequences for other individuals engaging in prohibited acts of hazing may include, but not be limited to, exclusion from MTCS property and events and/or termination of services and/or contracts.

G. This policy applies to hazing that occurs during and after school hours, on or off school premises or property, at school functions or activities, or on school transportation.
H. A person who engages in an act that violates school policy or law in order to be initiated into or affiliated with a student organization shall be subject to discipline for that act.
I. MTCS will act to investigate all complaints of hazing and will discipline or take appropriate action against any student, teacher, administrator, volunteer, contractor, or other employee of MTCS who is found to have violated this policy.

III. DEFINITIONS
A. “Hazing” means committing an act against a student, or coercing a student into committing an act, that creates a substantial risk of harm to a person, in order for the student to be initiated into or affiliated with a student organization, or for any other school-related purpose. The term hazing includes, but is not limited to:

1. Any type of physical brutality such as whipping, beating, striking, branding, electronic shocking, or placing a harmful substance on the body.
2. Any type of physical activity such as sleep deprivation, exposure to weather, confinement in a restricted area, calisthenics, or other activity that subjects the student to an unreasonable risk of harm or that adversely affects the mental or physical health or safety of the student.
3. Any activity involving the consumption of any alcoholic beverage, drug, tobacco product, or any other food, liquid, or substance that subjects the student to an unreasonable risk of harm or that adversely affects the mental or physical health or safety of the student.

4. Any activity that intimidates or threatens the student with ostracism, that subjects a student to extreme mental stress, embarrassment, shame, or humiliation, that adversely affects the mental health or dignity of the student or discourages the student from remaining in school.

5. Any activity that causes or requires the student to perform a task that involves violation of state or federal law or of MTCS policies or regulations.

B. “Immediately” means as soon as possible but in no event longer than 24 hours.

C. “On school premises or MTCS property, or at school functions or activities, or on school transportation” means all MTCS buildings, school grounds, and school property or property immediately adjacent to school grounds, school bus stops, school buses, school vehicles, school contracted vehicles, or any other vehicles approved for MTCS purposes, the area of entrance or departure from school grounds, premises, or events, and all school-related functions, school-sponsored activities, events, or trips. MTCS property also may mean a student’s walking route to or from school for purposes of attending school or school-related functions, activities, or events. While prohibiting hazing at these locations and events, MTCS does not represent that it will provide supervision or assume liability at these locations and events.

D. “Remedial response” means a measure to stop and correct hazing, prevent hazing from recurring, and protect, support, and intervene on behalf of a student who is the target or victim of hazing.

E. “Student” means a student enrolled in a public school or a charter school.

F. “Student organization” means a group, club, or organization having students as its primary members or participants. It includes grade levels, classes, teams, activities, or particular school events. A student organization does not have to be an official school organization to come within the terms of this definition.

IV. REPORTING PROCEDURES

A. Any person who believes he or she has been the target or victim of hazing or any person with knowledge or belief of conduct which may constitute hazing shall report the alleged acts immediately to an appropriate MTCS official designated by this policy. A person may report hazing anonymously. However, MTCS may not rely solely on an anonymous report to determine discipline or other remedial responses.

B. MTCS encourages the reporting party to use the report form available from the principal/director of each building or available from the MTCS main office, but oral reports shall be considered complaints as well. The building principal/director, the principal/director’s designee, or the building supervisor (hereinafter the “building report taker”) is the person responsible for receiving reports of hazing at the building level. Any adult school personnel who receives a report of hazing prohibited by this policy shall inform the building report taker immediately. Any person may report hazing directly to a MTCS human rights officer or to the Superintendent. If the complaint involves the building report taker, the complaint shall be made or filed directly with the Superintendent or the MTCS human rights officer by the
reporting party or complainant. The building report taker shall ensure that this policy and its procedures, practices, consequences, and sanctions are fairly and fully implemented and shall serve as a primary contact on policy and procedural matters.

C. A teacher, administrator, volunteer, contractor, and other school employees shall be particularly alert to possible situations, circumstances, or events which might include hazing. Any such person who witnesses, observes, receives a report of, or has other knowledge or belief of conduct which may constitute hazing shall make reasonable efforts to address and resolve the hazing and shall inform the building report taker immediately. MTCS personnel who fail to inform the building report taker of conduct that may constitute hazing or who fail to make reasonable efforts to address and resolve the hazing in a timely manner may be subject to disciplinary action.

D. Submission of a good faith complaint or report of hazing will not affect the complainant or reporter’s future employment, grades, work assignments, or educational or work environment.

E. Reports of hazing are classified as private educational and/or personnel data and/or confidential investigative data and will not be disclosed except as permitted by law. The building report taker, in conjunction with the responsible authority, shall be responsible for keeping and regulating access to any report of hazing and the record of any resulting investigation.

F. MTCS will respect the privacy of the complainant(s), the individual(s) against whom the complaint is filed, and the witnesses as much as possible, consistent with MTCS’s legal obligations to investigate, to take appropriate action, and to comply with any discovery or disclosure obligations.

V. MTCS ACTION

A. Within three (3) school days of the receipt of a complaint or report of hazing, MTCS shall undertake or authorize an investigation by MTCS officials or a third party designated by MTCS.

B. The building report taker or other appropriate MTCS officials may take immediate steps, at their discretion, to protect the target or victim of the hazing, the complainant, the reporter, and students or others pending completion of an investigation of alleged hazing prohibited by this policy.

C. The alleged perpetrator of the hazing shall be allowed the opportunity to present a defense during the investigation or prior to the imposition of discipline or other remedial responses.

D. Upon completion of an investigation that determines hazing has occurred, MTCS will take appropriate action. Such action may include, but is not limited to, warning, suspension, exclusion, expulsion, transfer, remediation, termination, or discharge. Disciplinary consequences will be sufficiently severe to try to deter violations and to appropriately discipline prohibited behavior. MTCS action taken for violation of this policy will be consistent with the requirements of applicable collective bargaining agreements; applicable statutory authority, including the Minnesota Pupil Fair Dismissal Act; and applicable MTCS policies and regulations.

E. MTCS is not authorized to disclose to a victim private educational or personnel data regarding an alleged perpetrator who is a student or employee of MTCS. School officials will notify the parent(s) or guardian(s) of students who are targets or victims of hazing and the parent(s) or guardian(s) of alleged perpetrators of hazing who have been involved in a reported and confirmed hazing incident of the remedial or disciplinary action taken, to the extent permitted by law.
F. In order to prevent or to respond to hazing committed by or directed against a child with a disability, MTCS shall, where determined appropriate by the child’s individualized education program (IEP) team or Section 504 team, allow the child’s IEP or Section 504 plan to be drafted to address the skills and proficiencies the child needs as a result of the child’s disability to allow the child to respond to or not to engage in hazing.

VI. RETALIATION OR REPRISAL
MTCS will discipline or take appropriate action against any student, teacher, administrator, volunteer, contractor, or other employee of MTCS who commits an act of reprisal or who retaliates against any person who asserts, alleges, or makes a good faith report of alleged hazing, who provides information about hazing, who testifies, assists, or participates in an investigation of alleged hazing, or who testifies, assists, or participates in a proceeding or hearing relating to such hazing. Retaliation includes, but is not limited to, any form of intimidation, reprisal, harassment, or intentional disparate treatment. Disciplinary consequences will be sufficiently severe to deter violations and to appropriately discipline the individual(s) who engaged in the prohibited conduct. Remedial responses to the prohibited conduct shall be tailored to the particular incident and nature of the conduct.

VII. DISSEMINATION OF POLICY
A. This policy shall appear in each school’s student handbook and in each school’s building and staff handbooks.
B. MTCS will develop a method of discussing this policy with students and employees.
