

MTCS Student Code of Conduct

Learning can best take place in an orderly environment and students can best learn individual and collective responsibility and gain maturity if they are provided opportunities in which to exercise responsibility within the school setting. As a student at MTS we have an expectation regarding acceptable conduct during all testing, state, district, school and classroom environment:

MTS Student CODE of CONDUCT of Test Security

On this test, do your own best work to show what you know and can do. *Do Not accept help finding answers to test questions. *Do not give answers to other students. *Do not tell others what is on the test. *There are or may be consequences if you do not follow directions or if you behave dishonestly

Test Security Tip Line Maintaining the integrity of tests and test items is of great importance to the Minnesota Department of Education. Improper or unethical behavior by students or educators undermines the validity of test score interpretation. Please report suspected incidents of cheating or piracy of test items using the Minnesota Statewide Test Security Tip Line. ([click here](#))
