

Academic Board Meeting # 2

4/6/2022

Members Present: Kelsey Bennett, Terry Brown, Alison Kirscht, Natalie Hunter

Science Standards Meeting: Discussed how the meeting went

Elementary Committee Meeting: Creating scope and sequence based on pacing guide with ARC

Purchasing Reveal Math Curriculum K-12 after talking with the HS math department

Language Arts: Secondary use Common Lit along with Virtual
Schedule a language arts meeting with Mars, Sitzman, Mariam Kim, Terry, Rebecca Selander, Tom Tesch, Emmie

Looking for professional development surrounding tier 1 instruction and tier 1 interventions

- Look into our reading and math curriculum
- Check with Regional Center of Excellence
- Disciplinary Literacy-Literacy is different in math than it is in science than it is in reading and understanding how it looks in each area
- Mcknight Literacy Cohort- Urban Education Institute

Summer School: Site by site basis
-Banaadir Academy: 2 sessions June 13-June 30 and July 7-July 30th

Allowing teachers to have an allotted amount of money to purchase supplies for classrooms for that school year? Looking into using title funds for this

Reimbursement for tuition available for teachers

PD for teachers is available but finding subs to fill in is a difficult situation

Sub shortage: What can we do to solve this issue?

Add tuition reimbursement to our benefit package and a survey of what we have.

- Tuition reimbursement
- Metro Pass from employee-Free for employers if they sign up?
- Professional development

Small group instruction: Gap areas. Teaching discourse to kids and PDs on questioning for kids and teaching kids how to problem solve and move forward with student centered learning

Expectations for teachers implemented for next year-minimal requirements

Purchasing an SEL curriculum and PD for teachers regarding that curriculum
Tier 2-Tier 3 Literacy program for interventions
