MTCS schools.

Electronic voting with ElectionBuddy will be used instead of paper ballots this year. Voters will receive a unique ballot link and key via email, text and mail when voting is open and can vote electronically anywhere, including voting stations that will be set up at individual school sites and the main office from Thursday, October 12 through Thursday, October 26, at 5:00pm. Results will be released on Friday, October 27. Please contact Jenny Buck if you have questions or need accommodations. Your key can be used on a paper ballot--please reach out to Jenny Buck at jbuck@emailmtcs.org for a paper ballot. All information about the Annual Meeting and running for a board seat is on the MTCS.org website. Best of luck to all the candidates!

Are you interested in running for a seat on the board? There are three open board positions. The application must be submitted to Jenny Buck on September 29, before 5 pm.
