All rice dishes /rice products are made of whole grain brown rice.

National School Breakfast Week - What, When & Why?

National School Breakfast Week was launched in 1989 to raise awareness of the availability of the School Breakfast Program, a federally assisted meal program operating in public and nonprofit private schools and residential childcare institutions since 1975. The occasion reminds families that healthy breakfast options available at school provide an energizing start to the day for students.

U.S. Department of Agriculture data show that more and more students are starting their day with a nutritious breakfast in their school cafeterias. The School Breakfast Program serves more than 14 million students every day.
